From the President: Judy Kaenel

Always vote for principle, though you may vote alone, and you may cherish the sweetest reflection that your vote is never lost. — President John Quincy Adams.

This is one of my favorite quotes regarding the honor of voting. On March 20th we will again be in the place where you ponder on who in your views is the best candidate. These past years I have seen voting go from a strong belief in your candidate and personal pride that you took part of this important part of our democracy, to criticism and division. Years past your vote was your private decision. Today not so much. People lambast you, criticize you or are dismissive if you even state what your decision was. That must stop. Everyone has their right to their own opinion and that should be respected.

For the longest time, to avoid any conflict, I have always stated "I Vote Motorcycles" and that statement is very true for me. I am a centric. One that votes for the best candidate regardless of party that will further my cause of motorcycle rights. I do not ever choose a party line and that in some cases brings quite a bit of derisiveness towards me. I am dedicating my life to protecting the lives of motorcyclists through this country and vote accordingly. Now, I am not saying that I ignore other issues: those issues that are important to me and my family are pondered on but when it gets down to the nitty gritty, 9 times out of 10 those candidates that share the views of A.B.A.T.E are my choices. A.B.A.T.E. of Illinois puts out a Guide to the candidates and how supportive they are about motorcycle rights, safety and education. But you should never just stop there. This guide is extremely helpful but in the real-world experience you should educate yourself. Learn about the big whigs; governor, senate, state reps etc. but also learn about judges, your county board and your sheriff and city officials. You ride their streets every day and if you ignore the moment to educate our local officials you may well lose your rights as they stand now. Local has a very swift impact on your motorcycling freedoms. Learn about these candidates. It will serve you well in the years to come.

So, on March 20th I will throw back that curtain and think. Review in my thoughts the good, bad and ugly. Decide what candidate deserves my vote and which doesn't. I will wear my "I VOTED" sticker with pride and I will respect those around me that have different opinions. Respect. Isn't this what this country is lacking? Respect your fellow voter. be respected.

Judy Kaenel
President
DuKane Chapter
ABATE of ILLINOIS
630-669-2588

Vice President: Joe Barnes

Kool-Aid

Last fall I took a big step and volunteered to be the Vice President of this ABATE chapter. I wanted to take a moment to introduce myself and give you a little background on myself. My wife, Linda, and some friends have been giggling and poking fun at me the last 2 months. They have all been referring to “drinking the Kool-Aid”. Well maybe I am drinking the Kool-Aid, but I am passionate about motorcycles and more importantly our motorcycle rights and the great things the motorcycling community does for us and our country. I’ve been riding motorcycles for over 30 years. For years I was a member of DuKane ABATE, left for a bit and rejoined 2 years ago. Life teaches us lessons every day, good and bad. Keep reading I’m going to explain my absence and the lessons learned. About 18 years ago I met a great group of riders and joined DuKane. I joined because it was the cool thing to do, to belong to a group. A few years later I met this gal that didn’t ride (even on the back). She fell head over heal for me and motorcycling, maybe it was the chaps. Yep, I asked her to marry me and together we rode from our wedding chapel to our reception (wedding attire and all). We remained DuKane members but were looking for more rides and more people to ride with and let our membership lapse. I think at that time you would say we drank the Harley Kool-Aid. I don’t know why we let our ABATE membership lapse, but it did and unfortunately DuKane didn’t track us down, and we did not try to re-connect. Several years went by and a few years ago that gal I told you about became very involved with DuKane thanks to Judy and Wally. I’m going to write more next month about what ABATE does for Linda and I, and why we rejoined. We’ve not only become members again, we both drank the Kool-Aid. It’s not a bad thing, it’s all good. I’d love to hear your story, what makes you tick, and why you believe ABATE is important to you. Come to the March meeting on March 20th at 7:30 pm, West Chicago American Legion, 123 Main Street. I’d love to meet you and hear your story. .

Motorcycle enthusiasts making our roadways safer

1.800.25.RIDER

info@abatelegal.com

The roadways throughout our great country have never been friendly to motorcyclists...

Whether it's those life-size potholes that appear from nowhere, the train tracks that have become so uneven they are more hazardous than traveling a gravel road, to construction areas that do not take motorcycles into consideration or the roadsides that mysteriously disappear overnight. We are constantly on-guard against the challenges of manmade, as well as nature's elements.

Report problems today at **www.RoadHazard.org**

Events: Chris Hansen

Hello fellow DuKane ABATE members!

I just wanted to keep everyone posted on our events. As you know, our first ever ABC – ABATE Bowling Classic is happening Friday March 30th. When Vice President Joe Barnes and I came up with this idea, we weren't sure how the first one would go, but the response has been amazing! It seems like it's going to be a full house for the event! It will be \$15 a person to bowl 2 games, including shoe rental. Or, for an extra \$10, you can get into a 9 Pin No Tap Tournament where the winner can win (at a minimum) \$100! And, if that's not enough money for you, the DuKane Santa Girls will be there with a 50/50 raffle! All proceeds from the event will be going to our DuKane Downed Rider Fund, so this is all for a great cause. We'd love to see you all, and bring your friends and family as you don't need to be a member to take part in this (although, we'd love to sign non-members up!).

We also have other great events coming up this year including our annual Kneeze in the Breeze Ride, the #Sethtastic Motorcycle Run, the Bikini Bike Wash, and of course the 32nd Annual Toy and Food Run!

One last thing! May 5th is the DuKane ABATE Motorcycle Awareness Day where we'll be up and down Route 47 spanning from Lilly Lake to Sugar Grove making people open their eyes and watch for motorcycles. We need volunteers to help us out and be at the 7 different check points we have. So, if you can help out (It's only 2 hours of your time), please contact myself, President Judy Kaenel or sign up at www.dukaneabaeil.org and let us know!

Until next time,

Chris Hansen

Legislative News: Amanda Gotte

It's election season again! I hope you have been enjoying the candidates that have come to speak to us at our member meetings. We will be having more guests beginning with April's meeting. Don't forget you can bring your Voter's Guide with you to the polls to help you choose motorcycle friendly candidates.

Legislative Day is April 25th. This is our day to meet with our legislators and talk to them about our issues! If you would like to go, but need a ride, talk to either Judy or myself and we will arrange carpools. If you have never attended, but would like to, don't be shy! First timers are always welcome. There will be plenty of people you will be able to learn from.

Profiling has come to the forefront again. The BOD has given Josh Witkowski permission to investigate a bill prohibiting discrimination based on owning a bike or wearing "biker clothing." In order to provide evidence this legislation is needed, ABATE is working with the Motorcycle Profiling Project. We need you to go to motorcycleprofilingproject.com and fill out the survey. Your information is anonymous. The more evidence/data we have to present to lawmakers, the easier it will be to get legislation protecting us from discrimination.

Autonomous vehicles are becoming more present on the roadways across the nation. Here in Illinois, we have **HB 2747** to oppose. This bill provides that a fully autonomous vehicle may drive or operate upon the highways of this State, regardless of whether a human operator is physically present in the vehicle. In addition, if you are involved in an accident with one of these vehicles, you must sue under the consumer product law, rather than through an insurance claim.

While we were attempting to get independent testing performed, the ethanol genie was let out of the bottle. The General Assembly is already looking towards higher ethanol blends. **SB 2883** is attempting to create tax credits on mid-range ethanol blends, namely E-20. ABATE will actively oppose any attempts to create tax credits for E-15 or higher blends that happen to come up. Josh is also asking for data on existing pumps at stations that carry E-15. He would like pictures of the pumps, the exact location of the station, and what type of pump is being used. This will be used to push for legislation mandating E-15 and higher blends use separate tanks and delivery systems than lower ethanol blend fuels. Meanwhile, the MRF is pushing for a mandate requiring E-0 and E-10 will still be available.

A few final notes: Josh is looking for data/evidence of Gaming Commission officials tearing down fliers for poker runs, as well as any counties refusing to issue permits. **SB 2233** is an appropriation bill to make sure the OHV Trails fund is included in the budget. This allows grants for private citizens to build private parks. The Recreational Trail fund is federal funds which are used for public parks. The park we have been fighting for the last few years has now officially broken ground. **HB 4744** allows for tax rebates for those who purchase electric motorcycles under the same rebate used for electric cars.

If you have any questions, concerns, or have an issue you would like addressed by ABATE, call, text or email me! I look forward to seeing you all at Legislative Day!

Member at Large: Linda Barnes

Help Us Get Back on Track

We need your help to recruit expired members or to simply remind members to renew their memberships. At the February meeting Judy told the membership that about 190 memberships had expired in the last year or so. We dropped the ball last year and didn't follow up with those members. It's probably a simple miss that they did not receive their renewal notice. Judy has asked the membership to help reach out to those expired members by making a phone call to them and asking them to renew. If you'd like to help us, please give Judy a call at [630-669-2588](tel:630-669-2588) and we can get you some names and numbers to contact. Volunteers have begun making phone calls, but we need more help. The weather is warming so let's get the paperwork handled now so we have more time for riding. I believe we can make a difference! The key word is we, and why do we need to make a difference? There is strength in numbers and together we can make things happen. If you need a form see Pae 16, the last page, of the newsletter for a form.

Did you know there is another way to follow what is going on with DuKane ABATE? Now don't get in a Twitter, hey hang on a second, that might just be the way to do it. Linda Barnes has passed on information that can get you in the loop using Twitter to keep up with DuKane ABATE.

Question: Why are we on Twitter?

Answer: Twitter gives us the ability to TEXT member's phones with a Twitter feature called "Fast Follow". The advantage to this is to be able to send timely TEXT alerts to chapter members cell phones that follow the Twitter feed. (This could include pickup rides, meeting, event or ride reminders, changes and/or cancellations to a meeting or event.)

Question: Do I have to be a member of Twitter to Fast Follow the DuKane ABATE Twitter Feed?

Answer: No

Question: How do I participate and get the Fast Follow Texts?

Answer: Text "Follow @dukaneabate" to 40404 with your text capable phone. Twitter does send some unsolicited texts, so, to easily disable Twitter's "discovery" messages, text "Discover off" to 40404.

Question: I joined by sending "Follow @dukaneabate" to 40404 but I'm not receiving Texts, what can I do?

Answer: I have seen this occasionally with members that are not Twitter users. Just send again "Follow @dukaneabate" again to 40404, this seems to resolve the issue.

Question: Is there any cost to the member or the chapter?

Answer: No, however, if you pay for texting with your cell carrier, regular text messaging rates will still apply.

Thanks,
Linda Barnes

Keeping Up: Webmaster Michael G. D'Aversa

Our New Website Is Up!

Due to an editorial malfunction (also called an "oops") we accidentally included an announcement from two years ago about an upcoming new website. But we do in fact have a brand new chapter website with its own URL: dukaneabateil.org.

Under the direction of our new webmaster, Michael G. D'Aversa, known to some as MGD, our new site is chock-full of current information and helpful links. We hope this new site will prove useful to current members as well as anyone wanting to learn more about the DuKane Chapter. Please check out this all-new site and share it with friends and prospective new members!

May is Motorcycle Safety Awareness Month and May 5th is Motorcycle Awareness Day for DuKane ABATE! On that day, rain or shine, chapter members will be stationed at the following intersections along Illinois 47, holding up signs, waving at drivers (probably laughing at a few of them, too), and generally having a good time together.

This is NOT some exclusive activity. ALL members are invited—indeed, *encouraged—to come out and hang with us for two hours. What a fantastic way to get to know some of your fellow ABATE members! And you know we'll be doing what all motorcyclists do when they get together, namely talking about motorcycles, motorcycling, motorcycle events, etc.*

Here are the locations. Just pick one and pull in. We shouldn't be that hard to spot.

Lilly Lake Shell - 47 & 64

Elburn BP - 47 & 38

Blackberry Inn - 47 & Main

Sugar Grove BP - 47 & Waubensee

Sugar Grove Shell - 47 & Galena

Sugar Grove BP - 47 & Cross

Questions? Concerns? Give a holler to PR Coordinator Greg Smith at (630) 723-1696 or contact him via the website (every DuKane board member has a contact form on the site). Please come on out. You will be more than welcome and we'd like to get to know you better.

News You Can Use!

For Immediate Release

March 12, 2018

Motorcycle Riders Foundation Responds to NHTSA Document on Motorcycle Fatalities

WASHINGTON, DC – Today, the Motorcycle Riders Foundation released its latest iteration of “Fact or Fiction” a document that takes a closer look at a government fact sheet concerning motorcycle injuries and fatalities. In February, the National Highway Traffic Safety Administration released a Traffic Safety Facts document specific to motorcycles. The information is extrapolated from the Fatality Analysis Reporting System (FARS) which is a census of fatal crashes in all 50 States. Though the information in the fact sheet is contained in a larger agency document, motorcycle-specific information is collated into its own publication.

After reviewing and analyzing the document, the Motorcycle Riders Foundation (MRF) quickly issued a statement and updated its “Fact or Fiction” paper, reacting to the NHTSA publication. Since 2010, the group has made a conscious effort to understand, analyze and provide additional context to government-issued statistics. According to the MRF’s Director of Motorcycle Safety and Vice-President of the Board of Directors Jay Jackson, this effort helps set the record straight and gives the broader motorcycle community a better understanding of where potential concerns may be identified.

The latest iteration of Fact or Fiction drills down on the data itself, raising concerns that the statistics also include mopeds, scooters and off-road bikes and therefore is not necessarily indicative of a factual problem. Further, that data should not be used in any serious discussion on ways to reduce motorcycle traffic fatalities because its bringing in very different classes of motorbikes, some of which are not even used for street riding. Another interesting statement from the publication takes a deeper dive on alcohol impairment and motorcycles. Though NHTSA cites that 25% of motorcyclists were killed in a crash involving alcohol, it does not mention that in passenger vehicles this figure was 28% in comparison. By not including this, it suggests to the reader that impaired driving is unique to motorcycles when in fact, it’s a broader passenger vehicle problem.

When asked for comment, President and Chairman of the Board for the Motorcycle Riders Foundation Kirk ‘Hardtail’ Willard explained, “We think its important for the public to understand the full context of these kinds of government publications. I view it as a knowledge versus wisdom argument: knowledge is knowing that a tomato is a fruit. Wisdom is not putting it in a fruit salad.”

The NHTSA publication can be viewed here:

<https://crashstats.nhtsa.dot.gov/Api/Public/ViewPublication/812492>

The MRF’s 2018 Fact or Fiction document can be viewed here along with previous iterations:

<https://www.mrf.org/fact-or-fiction/>

About Motorcycle Riders Foundation

The Motorcycle Riders Foundation (MRF) provides leadership at the federal level for states’ motorcyclists’ rights organizations as well as motorcycle clubs and individual riders. The MRF is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. The MRF is committed to being a national advocate for the advancement of motorcycling and its associated lifestyle and works in conjunction with its partners to help educate elected officials and policymakers in Washington and beyond.

Membership:

Being a motorcycle rights organization (MRO) is all about strength in numbers. But DuKane didn't become the thriving chapter that it is just by collecting names on a roster. We invite and encourage *active* participation among all members, newbies and veterans alike. Everybody has something to offer and that's what makes us great.

Become a Member, Remain a Member!

This is a very exciting time to belong to the DuKane Chapter. The [2018 Chapter Board](#) includes many new members who are infusing their fresh ideas into an already-great mix. From our [new website](#) to our [improved slate of events](#), this will not be business as usual for the DuKane Chapter.

Becoming a member of the DuKane Chapter is easy! Simply visit our [membership page](#), download the [application/renewal form](#), fill it out and send it to us with the specified fees. The state office will send your member materials after processing. In the meantime, go ahead and get acquainted with your chapter! Start by attending our monthly meetings. We meet every third Tuesday of each month at the American Legion in downtown West Chicago at 7:30 PM. Upon arriving, just mention that you are new to the chapter and we'll take it from there.

If you are already a member of the DuKane Chapter, please remain one. Have you renewed for 2018? If not, please consider doing so right now. The [form](#) and [instructions](#) for new membership also apply to renewals. We need you!

No Inner Circle, No Secret Handshake

We are not a club or a gang; we are a motorcycle rights organization. As such, we are all connected by our common interests and passion for motorcycling. This means you are one of us from the moment you join. At the DuKane Chapter, a member is a member is a member. You need no further qualifications to take part in any of our member [activities and events](#). We'll be glad to see you and would welcome your active participation.

Try Us

Whether you are considering membership in the DuKane Chapter or wanting more out of your existing membership, we welcome your questions, concerns, and inquiries. Come to our meetings. Attend our [events](#). And by all means, share your questions and concerns with any or all of the [DuKane Chapter Board](#). We will be glad to assist you!

HELP WANTED:

Wanted: Hard working, fun loving, people to fill our open positions. Your pay is boundless enjoyment and knowing you are making a difference. We offer added benefits of all the fun and camaraderie you can take. You may have noticed on the first page our Chapter President is filling in several positions. If you are interested in being involved with DuKane ABATE as Membership, Road Captain or Safety & Education please contact

Judy Kaenel, 630-669-2588 or dukanepresident@aol.com

These business owners sponsor DuKane Chapter of A.B.A.T.E. by displaying the Sponsor Plaque and Door Stickers in support of our chapter! They are new members of DuKane Chapter of A.B.A.T.E. of ILLINOIS!

Please stop in and say Thanks!!

DuKane Chapter Business Owners Support Program

DuKane Chapter of A.B.A.T.E. of Illinois Business Owners Support program is designed to bring awareness into the public regarding motorcycle rights and education. This allows the business owner to show their customers that they support motorcycle rights in their community. It also helps the DuKane Chapter of A.B.A.T.E. of Illinois be able to have an additional form of public relations by receiving help from the business owner to promote and successfully reach not only potential members but to bring awareness to the community and open a line of communication.

To qualify for this program:

The business must be a “stand alone” business in the Kane County or DuPage County area. If business owner is out of the area, he/she is given a list of chapters they may join to be able to participate in the chapter at their convenience.

At least one business owner must become an A.B.A.T.E. of Illinois member.

Upon application, the business will be given the opportunity to place a support plaque and door clings for the business to display if they choose to do so.

A Dukane representative will educate the business owner and his/her employees in regards to what A.B.A.T.E. of Illinois does to promote motorcycle rights, safety and education.

The business owner receives membership forms to display and is educated on how to fill out the forms and teach the potential member about A.B.A.T.E. of Illinois.

The business will be mentioned in the DuKane newsletter as “supporters”.

The business owner must maintain their membership in A.B.A.T.E. of Illinois to be able to continue to display support plaque and door clings.

The cost for the business owner is the cost of the membership only.

The business owner is not required to donate any additional funds nor does he/she need to feel that they must be available for any events or runs unless they choose to do so.
