EDITORS NOTE:

You may have heard our Chapter President spent some quality time in the body and fender shop.

You may also know she is a hard lady to slow down.

Finally, as you can see a little thing like that isn't stopping her from taking part the Toy and Food Run or even slowing her down.

I ain't got the guts to tell her I'm busy, I don't have time or what have you. Like she asks, "How 'bout you?"
