Hello DuKane members!

Well, here we are in May and we're still in the midst of the COVID-19 issue as this newsletter comes to you.

It's been interesting to figure out how to deal with the COVID-19 issue as we're literally writing the book on it as it happens. But, there's been innovative ways to still do good during all of this. As many of you have seen, we've been doing a lot of Birthday Ride Bys for people that aren't able to have parties due to Coronavirus. Members of your board (Joe, Linda, Amy, Tina, Patty, John, Nathan, Chris, and myself) have done many of these for people like Patrick, Dylan, MacKenzie, Andra, Kase, Ben, Mason, Madelyn, Bryce, Juliana, Cora, Hayes, Ainsley, Gabe, Zoey, Allie, Jackson, Rylan, Lana, Hayley, Jason, Sean, Gus, Mama T, Avery, Garrett, and others. It's been an absolute blast to ride, bring smiles to people's faces for their birthdays, and show the public that bikers aren't bad people, even if it means some members of the public having a few choice words for us not staying home. I'd also like to thank the Kane County Sheriff's Department, DuPage County Sheriff's Department, DeKalb County Sheriff's Department, Elburn Police Department, Naperville Police Department, Campton Hills Police Department, Elburn Fire Department, Kendall County Sheriff's Department, Kaneville Fire Department, Accurate Towing, Chad's Towing, Patriot Heating and Cooling, Mendel Heating and Plumbing, Law Tigers, and everyone else who has been involved with making these a success!

Another thing that's been happening is that it's Motorcycle Awareness Month. Elburn President Jeff Walter, Maple Park President Kathleen Curtis, Wayne Township Supervisor Randy Ramey, and Village of Wayne President Eileen Phipps have all given proclamations that May is Motorcycle Awareness Month in their respective towns/villages. This is absolutely awesome to have the support of these towns and villages to bring awareness to the fact that motorcycles are back on our roads and that it's time to put down the cell phones and start seeing motorcycles!

From the President: Chris Hansen

DuKane A.B.A.T.E. Motorcycle Awareness Day was a HUGE success this year. We teamed up with the Kane County Sheriff's Department and Elburn Police Department to make people aware that we're back on the roads and to put down the cell phones! Plenty of people that thought they should text and drive got to have a little chat with a County Sheriff or Police Officer while pulled over on the side of the road. Afterwards, we had an awesome lunch prepared by Knuckleheads Tavern who opened up just for us. Thank you to Dan and Betsy Brizek for doing that. It was great to have Elburn President Jeff Walter, Law Tigers, and the Chrome Angelz out there with all of our AWESOME VOLUNTEERS that made this day possible. Thank you!

The last thing I'll touch on is the State of Illinois' and Governor Pritzker's response to the COVID-19 Issue. I know that many of you – myself included – are upset with things like the A.B.A.T.E. of Illinois State Party and other events being cancelled. I, personally, am not happy with the way that the governor has unconstitutionally abused his authority in telling Illinois citizens what they can and cannot do and attempting to keep this state on lockdown while citizens go jobless and businesses are struggling to survive. However, as A.B.A.T.E. of Illinois put out there in a call to action, you can call your local legislators (both state and local) and let your voices be heard! Let them know how you feel and what you want to see happen. Remember, they were elected by you to represent you. Let them know how you want to be represented. And lastly, we all have rights. If you feel the need to stay home, stay home. If you want to be back out and help the state re-open and the economy come back, do it. That's the beautiful thing about the United States of America. Those rights are ours!

AND, AS ALWAYS, TO HELL WITH COVID-19, GET OUT AND RIDE! IT'S ESSENTIAL!!!!!!

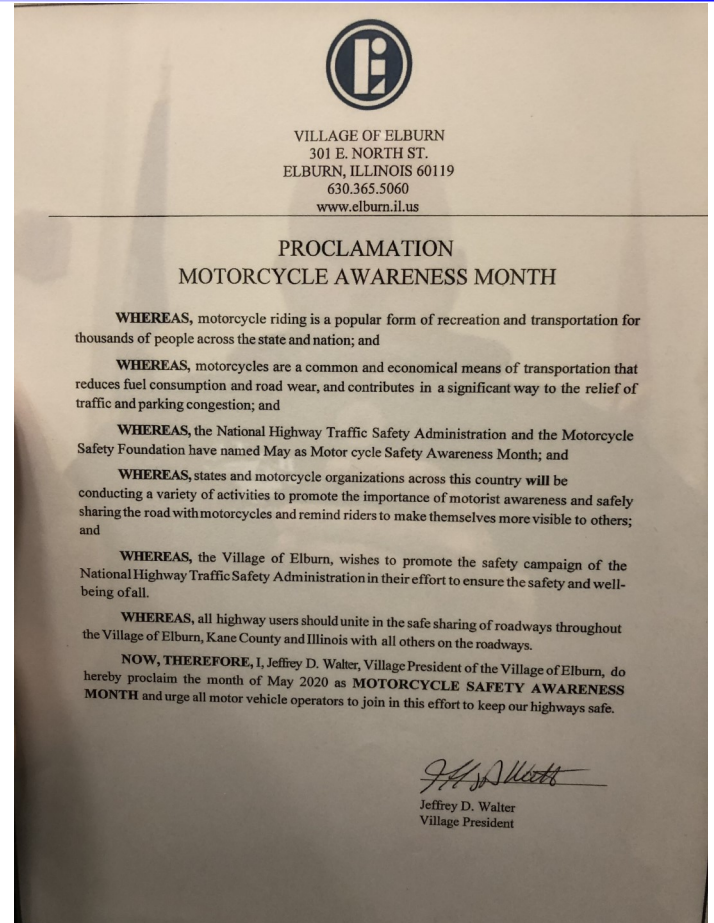

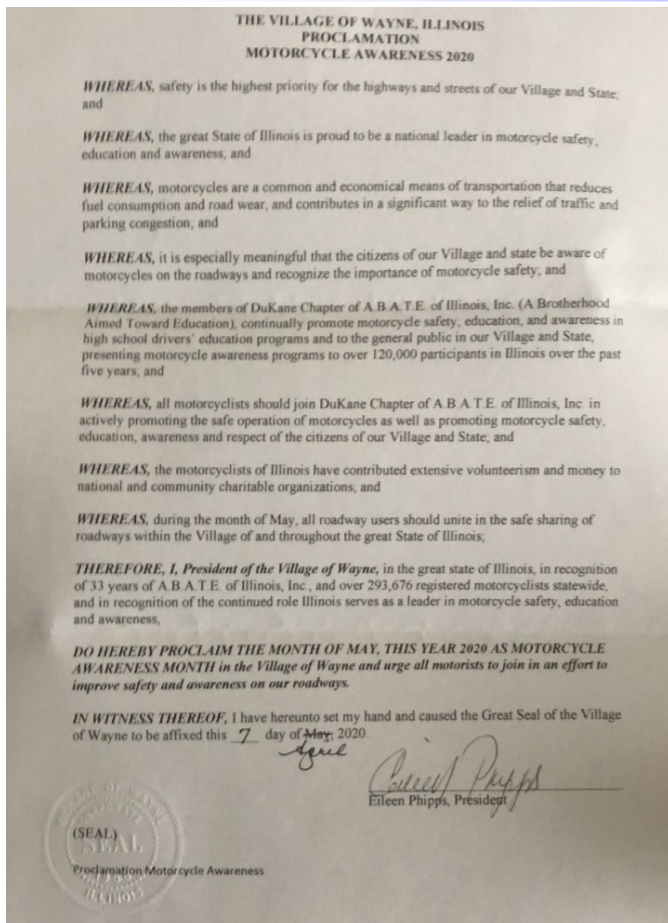

See you at Kneeze in the Breeze, the Bikini Bike Wash, the 5th Annual #Sethtastic Motorcycle Run, and other events soon!

Until next time, ride safe!

A Bit from the “ViP”

Our membership numbers are a bit lower in May as compared to earlier this year. I'm guessing that has to do a bit with the current order in place by our Governor, and that some are out of work. If you are unable to pay your membership fees and are listed in Linda's lists in the membership section please know that we appreciate you and care for our supporters and members. If you are unable to pay at this time, please contact us.

Many members of DuKane have also been participating in birthday parades for future drivers. Chris Hansen has been coordinating approximately 6-8 parades per week with parents and the local PD and FD. What an amazing public relations service and not a bad way to show the local popo that bikers are great assets.

We hope you are doing well and not going stir crazy. Please know that we are here for you if at least to listen.

Save the date for our 34th Annual Toy and Food Run happening on Sunday, October 11th. We will have more news and announcements about the run in the coming months. Be safe everyone and let's ride!

Independent Rep: John Bloch

Hello to all. I Hope you have had a safe spring so far. There have been some very nice days to bring your motorcycle out and go riding. I myself took long rides to the gas station to fill the gas tank. I made several trips to Becks in Oglesby to buy premium 91 octane E-0 gas. I had to ride along Rt. 71 skirting through Starved Rock State Park. The park was still closed so I could not stop there. Maybe soon the Park will open.

I found another gas station that has a separate hose line for 93 octane E-10 gasoline. This station is in DeKalb on Highway 38. It is a Mobil/Exxon station.

There also have been several week-ends that had Birthday ride parades. One occurred after Dukane ABATE's Motorcycle Awareness event on Route 47, our first event that we were permitted to do. I attended several other birthday rides this last weekend (May 16). The birthday rides were posted by Chris Hansen on Facebook I think. I became aware of the ride from Nathan Klapatch.

I believe my trip around the extended four corners of the US (Washington, California, Key West and Maine) will not occur in June. I fact it may not occur this year if the vaccine is not found. I can always go out for gas.

Till later. Live long and prosper. Get out and ride.

I hope this message finds everyone well,

Our Motorcycle Awareness Day was a huge success! It was great to have so many people participate. I wish to thank our DuKane ABATE members and BOD who came out to help. The Elburn Police and the Kane County Sheriff's Department with Ron Hain were highly visible, thank you for your assistance. Even with the marked squads everywhere, that did not keep the drivers off their phone. Several drivers were pulled over for cell phone usage while operating a motor vehicle. They were given the opportunity to discuss their actions with the officers. Our friends from Chrome Anglez RC arrived in force for our event. The famous DuKane ABATE Santa Girls attracted substantial attention for our Event. Steve Graef from the Law Tigers was there helping every step of the way. A very special thank you to our friends Dan and Betsy Brizek from Knuckleheads Tavern for donating some much needed nourishment after the event!

I am sorry to report that the Illinois State Party scheduled for June 25th – 28th has been cancelled.

Our current situation is constantly changing. Be part of the change and follow DuKane Chapter of ABATE of Illinois on Facebook to keep up with the latest news. Also make sure to friend our esteemed President Mr. Chris Hansen on Facebook. He has been instrumental in organizing many fun Birthday parades for local people.

Hey, everyone. Over the weekend of May 9th, I (and maybe some of you) finally had an excuse to drive outside of my home town, and that excuse was that I had volunteered for Motorcycle Awareness Day. I'm sure Chris and our other board members have filled in the details on that, but it's worth mentioning that we have pictures from the event not only on Facebook, but also on our website.

Also, last month, I updated the sign-up forms on our membership store. With each membership option, I broke the text box for the user's home address into individual text boxes for parts of the address, like the ZIP code and city. There will be more blanks to fill out, but they will be better at showing you what to enter than the one box we used before.

Now, speaking of updates, excuse me while I upload this newsletter to the site.

Nathan Klapatch

Editors Note:

Hey Nathan Thanks for giving me a perfect lead-in to the pictures from Motorcycle Awareness Day.

Just to make it interesting see if you can spot the Police Officer. No, the ones in the marked cars or full uniform don't count. It surprised me, to say the least.

Hey DuKane,

How's it goin'? From here it kinda stinks. But, ya know it is possible to have some fun and keep your sanity. Let me tell you about how Carol and I supported a couple of small restaurants, for now only takeout, we want to be able to go to after things return to normal.

The first was some really good burgers and beverages from The Dairy Mart in

Huntley. Yeah, it was 49.2 miles from home to pick up our burgers, fries, a great blueberry shake and a pop. Ok, I forgot to get ice cream, an excuse to go back again perhaps? Since it is not permitted to use the picnic tables there we wandered .8 miles down the road to Deicke Park to eat. I will admit since we were making several purchases bigger than we could wedge onto the bike we did have a car. We opened the rear hatch and chowed down. From there it was gas and go home.

About a week later I had a taste for some chicken. Not KFC, Popeyes or any other chain chicken. I wanted some Mother Clucker's Chicken. OK, so sue me, they have a place in the city and one in Palatine. It's about 11.5 miles from my house. Carol was hoping for some fresh air so off we went. But it was kinda early when we left. So I took a less direct route. I ended up having to stop and gas up in Pingree Grove. I seem to have gotten turned about and somehow wandered into Burlington. And then Belvidere. Well I know how to get from there to Poplar Grove and 173 will take me to 14. But, it was now kinda late so we stopped at Kojak's in Cary thinking to get burgers. Before we could go in to order it started to rain. Back on the bike and East, ok Southeast, bound and down.

Lo and behold the clouds broke near Barrington so Mother Clucker's here we come. After being geographically challenged for 130.5 miles we pulled in, ordered and took our booty home, directly 11.5 miles, and had some, still hot, great chicken after 142 miles.

Maybe another time I'll tell you about riding the Sheridan Road ravines and scoping out the Baha'i Temple and Northwestern University to get coffee from the place down the street.

The point is as long as you follow the rules you can still get out, ride and enjoy life.

See you along the road.
