Hello DuKane A.B.A.T.E. Members!

November has brought the cold and snow. While that isn't any fun for us motorcyclists, I hope that you all had a blessed Thanksgiving with family and friends and that you're getting miles on when you can. Remember that motorists don't expect us to be on the roads this time of year, so do your part to be more attentive while riding as they're not looking for us.

At the last membership meeting, we talked about the health of Greg Smith. I'm happy to report that his health has gotten much better and he's been moved off the respiratory floor and on to rehab. This is great news. Keep those prayers coming! But I want to touch on what Greg was always known for. Keeping A.B.A.T.E. out in the public, and making sure people know who we are and what we do.

There have been a lot of questions as to why A.B.A.T.E. of Illinois has gotten involved in the Electric Vehicle situation in Illinois. With the energy bill that passed in Illinois (See Randy's article) and Joe Biden's \$1.2 Trillion Infrastructure Bill that have passed, a lot of focus has been placed on Electric Vehicles and the charging network. What's the problem with this you may ask? The problem with this is that Governor JB Pritzker and Deputy Governor Christian Mitchell have said that in Illinois, motorcycles are not primary modes of transportation and shouldn't be included in any of the EV incentives or planning (including infrastructure). THIS IS A PROBLEM. I understand that many of you aren't EV Motorcycle riders, and that's ok. What's not ok is excluding motorcycles in Illinois, and that's what Pritzker and Mitchell have attempted to do. If we as members of A.B.A.T.E. say "well, it's only EV Motorcycles, who cares?" then we are allowing that door to remain open to excluding motorcycles from transportation and infrastructure in the future. Are you ok with that? I'm not. Government overreach by telling me that as a motorcyclist, I don't matter? NO WAY! So, what can we do?

- ◆ Get Involved!
- ◊ Come to meetings. Call your legislators when instructed. Tell every motorcyclist you know to join DuKane A.B.A.T.E. as we're going to need all the voices we can get.
- ◆ Attend events like S.T.E.E.L.
- ◊ The A.B.A.T.E. of Illinois S.T.E.E.L. seminar is happening January 21<sup>st</sup> - January 22<sup>nd</sup> of 2022. This is a great place to learn more about what A.B.A.T.E. is and does and how you can get more involved. There are many breakout sessions and biker camaraderie to take in. After all, the more we're passionate about motorcyclists' rights, the more we'll accomplish.

Check out 'This Week in A.B.A.T.E.'

This is one of the easiest ways to see what A.B.A.T.E. of Illinois is working on and involved in, because you don't even have to leave your couch. Just hop on the A.B.A.T.E. of Illinois Facebook Page at 8pm every Wednesday and watch live as everything that A.B.A.T.E is working on or involved in gets discussed.

These are just a few – of many – ways that you can fight for the rights and freedoms of motorcyclists/off-roaders/ATV riders in Illinois. Take a page from the playbook of Greg. If you're out and about, make sure people know what A.B.A.T.E. is and what we do, and get them to join the fight! Let's make sure that JB Pritzker and Christian Mitchell know that motorcycles are a PRIMARY mode of transportation to thousands in the state and that we need to be involved in EVERY aspect of transportation and infrastructure in the future. PERIOD!

Make sure you have plans to join us December 21<sup>st</sup> for our membership meeting, including our annual Ham Raffle and Christmas Party! Wear your ugliest sweater! Continue watching 'This Week in A.B.A.T.E.' every Wednesday on Facebook Live, keep letting Governor JB Pritzker know that [#MotorcyclesArePrimary](#), and I hope you all have a very Merry Christmas ahead!

On November 9, your President Chris Hansen and Legislative Coordinator Randy Ramey, along with A.B.A.T.E. of Illinois Legislative Coordinator Ski, attended an event for State Representative Stephanie Kifowit at The Capital Grille in Lombard. Stephanie is a huge supporter of motorcyclists in Illinois and the 2020 Legislator of the Year.

## Vice President: Hej Hog

November, another busy month for DuKane ABATE. The nominations for the BOD positions have been placed and voting will be held at the December membership meeting on December 21st at 730pm, you must be present and a member of DuKane ABATE to vote.

This time of the year was winterizing and storing our motorcycles and anticipating a nice enough day to ride, while ABATE is still out there talking and meeting with State Senators, and State representatives to ensure motorcycle rights. Keep up to date with ABATE on all the social media pages and if there is something you would like more information on reach out and let DuKane ABATE know of your concerns, thoughts, or ideas so your voice is heard.

Thanksgiving is a time to remember what we're thankful for, I'm thankful for God and all those representatives that support Abate. Happy Thanksgiving.

Our brother Greg Smith and wife Patty need our prayers for Greg to have a speedy recovery in Pennsylvania, another victim of Covid.

As always keep your memberships up to date, and get those friends and family members, to join DuKane ABATE, we cannot fight for our rights without support from our members.

Hello, y'all. I'm attempting to engage in this newsletter, that Michael Nicholson creates every month to give our members some insight from the BOD. As the DuKane ABATE Treasurer here goes my insight.

Well, the one thing that won't be in print is the balances in our accounts. As a DuKane member you are entitled to know that and I will meet with you to show you those balances.

DuKane ABATE benefits for our members and their families is that there is a Downrider's fund available to our members/families if there is financial assistance needed for those who have been involved in injury and or death. We all pray no one needs to use these benefits but there here if needed.

It's almost tax season for Abate, the 990s are due on the 1st of the year and given to ABATE of Illinois Treasurer Paul Traux for approval. All I'm waiting for is expenses and income for December.

Here's some insight into the income DuKane receives. Normally income comes from membership, any donations given by the year's end, or a run put together. In membership, DuKane makes \$3 for single and \$6 for five-year memberships, ABATE of Illinois gets the remaining amount. So ABATE of Illinois can stand strong and fight for those motorcycle rights.

I'm already tired of the cold weather, we go from warm to cold without much of an in-between here in Illinois. The roads are still dry so for those who withstand that cold-ass ride more power to ya and enjoy while you can.

May God bless you and your family. Happy Holidays to all. Take care of those who cannot care for themselves.

# Legislative Representative; Randy Ramey

Hello All,

With all the discussion on motorcycles being left out of the Climate and Equitable Jobs Act (Public Act 102-0662), we should thank Senator Cullerton for introducing SB 2408 which fixed that mistake. His bill did not move forward but he kept his word on its introduction. This moved Senator Stadelman to keep his word and he added language in Amendment 4 to HB 1769, the Reimagining Electric Vehicles in Illinois Act, removing electric motorcycles from an exclusion to the definition of "electric vehicle". This act was signed into law on October 28th. With this inclusion, electric motorcycles and their specific needs will be a part of grid as it is developed throughout Illinois. A big thanks to those who contacted their legislators and especially those who posted pictures with their bikes showing that motorcycles are an everyday mode of transportation.

As mentioned before, the legislature will be working on a shortened schedule this spring with the intent to finish April 8th. They will be working the same amount of days so they will be in Springfield more than in their district offices. Deadlines for Senate substantive bills is January 21 and for the House is January 28th. Since it is an election year, I don't foresee controversial legislation coming out but we'll be watching to make sure. Hopefully ABATE'S agenda will be distributed soon. The ABATE of Illinois Legislative Day has been moved up to February 16th. This is a great time to visit legislators and see ABATE friends from around the state. Please try to arrange for your participation, strength in numbers as they say!

There will be a hearing in a 3 judge federal court the week of Dec. 6th to hear 3 consolidated cases challenging the new legislative maps. Draft maps have been submitted to the court for review. It's not likely anything will change but it will be interesting to hear the arguments. Both the legislative and the congressional maps that were passed by the Illinois legislature are gerrymandered crap! But under law, political gerrymandering is allowed. The cases being brought forth will attempt to show minority disenfranchisement which is unconstitutional. Over the years the map process has been attempted to be removed from the legislatures' hands but to no avail. Many states use computer models with up-to-date statistical data to create contiguous and compact maps that are fair to all. Regrettably, the party in charge refuses to follow that path.

Have a safe and healthy Thanksgiving!

Our 35<sup>th</sup> Annual Toy and Food Run was a great success! Your DuKane A.B.A.T.E. Board Of Directors wish to recognize the efforts of your Secretary, **Amy Nelson**. For all of her hard work, finding, contacting, schmoozing, and organizing our corporate sponsors. Every year she spends untold hours, for many months, on the phone and in meetings, promoting our Toy and Food Run to local businesses. All of this Amy does behind the scenes. Amy, Thank you.

We can not make this happen every year without a huge amount of support from our local community. Please help us in recognizing the Local Businesses, Politicians, Motorcycle Dealerships, Motorcycle Clubs, Restaurants, Taverns, Municipalities, and Local Law Enforcement that make it all possible. Please save this list. Refer to it as you are looking for local services. Patronize their restaurants. Thank an officer. Contact a politician and thank them for their help. Editors Note: On a previous page it was noted our Secretary Amy Nelson works hard lining up sponsors. I have noticed, as have others, she tends to stay in the background. She could write an entry for the newsletter highlighting her accomplishments, but as usual choose not to. It is only fitting to let you see the results of her hard work to make the Toy and Food Run the success it is. MN

# Newsletter: Mike Nicholson

Hi DuKane,

I just wanted to take a minute or two here to thank you for letting me fit the words and thoughts of the Board around the pictures and such they send me each month. It is not really a hard task. But if any of you find out about an event, ride or find information on a topic you were wondering about it's more than worth it.

I also wanted to add my 2¢ and a few thoughts about the Toy and Food Run. Let me start with Amy Nelson. About the time most of us are knocking off winters rust and dust she is starting to talk about the years Toy and Food Run. The whole Board gets involved eventually, but from what I've seen she is way out ahead of us. Not far behind have been Chris Hansen and Chris Newman. Once they hit the ground running it's already too late to catch up.

As the event grows closer all the Volunteers and other groups involved ramp up. Finally the day arrives and some of the most important people join in. That's you, and all the others who come out and ride, listen to the bands, support the vendors at the end of the ride and maybe listen to a few speeches. I really have to give you folks some credit. Good weather and rotten, there you are. Piling food and toys on the trailers. It could never take place without all of those mentioned above.

You may notice I'm here just below the list of Sponsors. That is just luck. Without all those sponsors things would not be what you have grown to expect. So, give them some support if you get the chance. It's just another way to show how the motorcycle community stands by those who support them.

With December in sight I would ask you all to ride safe so we can see you out on the roads next year. Oh, I almost forgot, don't forget to come to the next meeting on December 21st. Voting and fun? Only ABATE could combine those in one event.

See ya on the road,

Mike Nicholson
