Hello DuKane A.B.A.T.E.!

September is here and that means we're just a few weeks away from the 36th Annual DuKane A.B.A.T.E. Toy and Food Run! This run happens on October 9th and features all day music by Amy Stephan & Company and The Eliminator Band! If you are a Z.Z. Top fan, you won't want to miss Eliminator. The run starts at Knuckleheads Tavern and Schmidt's Towne Tap in Elburn, with a separate starting point at Fox River Harley-Davidson in St. Charles, IL that will ride to Elburn for the start of the run. Rise N' Dine of Elburn will again be providing breakfast at the run. The ride to the ending point, The Sycamore Speedway, is fully escorted by the Kane County Sheriff's Department – A big thank you to Sheriff Ron Hain for his assistance yet again! At the after party, we will have a burnout competition, weenie bite competition run by the Fugarwe Tribe MC, bull riding, and more along with the great Pat Capone of Rock 95.5 Chicago as our Master of Ceremonies. Dennis Lexa will once again sing our nation's beautiful National Anthem with a Veteran Flag Line to kick off the after party. There will also be political candidates there to speak with constituents leading into the 2022 General Election. We'll also have the MRF tent at the Speedway, thanks to Dennis Yeager! The most important part of this is collecting toy and food donations for children in need this season. You can drop off toy and food donations prior to the ride at Hazen Insurance, Fox River Harley-Davidson, Cycle Gear (Bolingbrook), Heritage Harley-Davidson, Wild Fire Harley-Davidson, Motor Cycle Center, and the Toy Shop &

Motoulounge. These businesses are great partners in helping collect these donations and please bring donations to the run. We're filling up 2 flatbed semis full of toys, so be a part of making a child's Christmas that much better! I want to thank Events Officer Chris Newman, Secretary Amy Nelson, the whole DuKane A.B.A.T.E. BOD, all of our great sponsors, and all of the volunteers that are involved! NONE of this is possible without their hard work!

President: Chris Hansen

This month was the A.B.A.T.E. of Illinois PAC grading session where grades and endorsements were given out for the upcoming Election. We'd like to congratulate the candidates in the DuKane area (DuPage and Kane County) that received endorsements from A.B.A.T.E. of Illinois PAC: Dan Brady, Kwame Raoul, Susana Mendoza, Michael Frerichs, Cristina Castro, Seth Lewis, Don DeWitte, Dave Syverson, Linda Holmes, Anna Moeller, Deanne Mazzochi, Amy Grant, Jennifer Sanalidro, Barbara Hernandez, Martin McLaughlin, Dan Ugaste, Jeff Keicher, Keith Wheeler, Stephanie Kifowit, Ron Hain, and Greg Hart. These candidates have all proven that motorcyclists' rights and freedoms are important to them, and they have our support. Make sure you have plans to vote on November 8th! We'd also like to thank Susan Clancy Boles, Scott Gryder, and Heather Brown for speaking at our membership meeting this month. I appreciate Vice President/Legislative Coordinator Randy Ramey for always allowing the members to hear where candidates stand on motorcyclists' rights. Also, a big thank you to Knucklehead Bob, Mark Garrison, and John Bloch for walking with Stephanie Kifowit at her Day of Action.

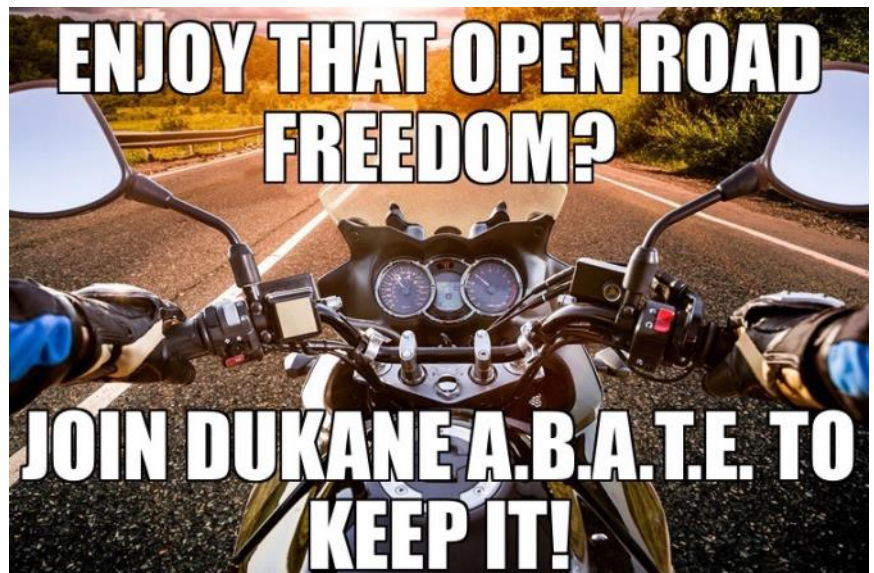

The last thing I will talk about this month is the continued issue of motorcyclist/MC Profiling. As we talked about at the monthly membership meeting, DeMito's Saloon in Villa Park has signs all over their establishment saying that Motorcycle Clubs are banned from entering the building or doing business there. But, now we have another issue. We were contacted by someone that went to Otto's Tavern on August 27th in Lombard wearing his colors for a VETERAN'S MC. He was approached by an employee and asked to leave because the owners did not want motorcycle clubs in their establishment. They kicked out a motorcyclist wearing colors for a VETERAN'S MC. This is 100% despicable and wrong. DuKane A.B.A.T.E. will continue to fight against motorcyclist profiling in DuPage and Kane County and will not stop until it is gone. MCs are a priority for this chapter, PERIOD. Boycott DeMito's and Otto's!

Make sure to join us on October 18th for our next DuKane A.B.A.T.E. Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. Our guest speaker will be Kane County Treasurer Candidate and DuKane A.B.A.T.E. Member Chris Lauzen. These meetings are beyond important to attend as you'll hear reports from all your Board Members and find out what's happening with the DuKane Chapter in 2022. We are a stronger force in numbers, so make sure you attend! As a reminder, we will no longer be broadcasting the meetings live on Facebook.

Continue watching 'This Week in A.B.A.T.E.' every 2nd and 4th Wednesday on Facebook Live, let's get those toy and food run donation boxes filled, and we'll see you all on Oct 9th at the 36th Annual DuKane A.B.A.T.E. Toy and Food Run!

ELECTIONS HAVE CONSEQUENCES!

If you do not participate then there is no reason to complain. There are plenty of ways to vote: by mail, early and on the day of election so there is no excuse.

Applications for vote by mail are being accepted now and the ballots will be sent out starting on September 29th. Last day to request it is November 3rd. The envelope must have a stamped date of November 8 or earlier.

Early voting sites will open October 24th and close November 7th. They are distributed throughout our 2 counties.

Last day to register to vote is October 11th. Grace period registration is October 12th thru November 7th.

Election day is November 8th, polls are open from 6:00AM to 7:00PM.

Election information is located on DuPage and Kane County websites with links listed below:

<https://www.dupagecounty.gov/elections/>

<https://www.kanecountyclerk.org/Elections>

GOVERNOR'S HIGHLIGHTS:

Midwest Hydrogen Coalition: Illinois joined six other Midwestern states in the development of the Midwest Hydrogen Coalition, an agreement that the state's hope will boost decarbonization efforts. The coalition includes Michigan, Minnesota, Wisconsin, Kentucky, Ohio, Indiana and Illinois. The coalition will collaborate with leaders in industry, academia, and community engagement.

Illinois State Board of Education: Dr. Steven Isoye was appointed to chair the Illinois State Board of Education effective immediately. Dr. Isoye replaces Darren Reisberg, who served as chair for the past two years.

Illinois Department of Employment Security: The U.S. Department of Labor awarded the Illinois Department of Employment Security a \$6.8 million equity grant which will allow the agency to better understand and address equity gaps within the state's unemployment insurance (UI) system.

IDES plans to leverage the equity grant to fund four major equity projects which will use expanded data to identify potential inequities in the unemployment pipeline within underrepresented groups. The Department intends to refine UI service delivery systems, processes, and communications for more equitable access and experience, including making UI information easier to understand, translating information into multiple languages, expanding self-service digital options, and increasing outreach to community level organizations.

Executive Order: Executive Order 2022-20 Reissues previous Executive Orders related to the COVID-19 pandemic through October 15, 2022.

Vice President/Legislative Rep.; Randy Ramey

102nd GENERAL ASSEMBLY:

Senator Emil Jones, III is being charged in federal court with three criminal counts related to his dealings with a red-light camera company. Jones, who is the son of former Senate President Emil Jones II, has served in the Senate since 2009 when he was appointed to replace his father. Senate President Don Harmon called the allegations “grave” and asked for and received Senator Jones’ resignation as Deputy Majority Leader, Chairman of the Senate Licensed Activities Committee and Vice-Chair of the Public Safety Committee effective immediately.

Governor Pritzker is now calling for Senator Jones and Senator Hastings, who is also facing allegations of misconduct, to resign. The Governor stated “They should answer the charges and have their day in court. But in the best interests of their constituents, these men must resign from their offices. Resigning only their leadership roles falls short of what the public should expect. I want to send a clear message to the people of Illinois: corruption and abuse have no place here.”

Jones is running unopposed in the November election. Hastings, who calls the allegations politically motivated, faces Republican Patrick Sheehan in November.

ELECTIONS HAVE CONSEQUENCES!

Thank you,

Randy

Treasurer: Mark Del Monaco

Bills are paid, deposits have been deposited, bank statements are balanced, all is well with our treasury.

The next treasury activity is, obviously, the Toy and Food Run event. This event has the most donations, expenses, rentals, admission income, product sales, membership sign ups, logistics, etc. of the year. Thank God for Chris Newman! I reviewed previous year’s accounting and as I discussed at a prior member meeting, I have prepared a proforma worksheet to track income, expenses, and value-add transactions, and the worksheet is linked into the 990 summary worksheet so it automatically totals for year-end tax reporting. I expect to have to trace and validate every formula to ensure the accounting cross-foots, but the plan is in place and should be just a matter of due diligence (that’s what I said to myself; do it; it’ll be fun!)

Relative to closing our Toy & Food Run and Downed Rider bank accounts and consolidating them as budget items in our General account, the board and I agreed it would be better to extend this transition to the end of the year as the transition date. As a reminder, the purpose of doing this is to simplify the monthly accounting to just one account, focus our business on an operations-based budget, and minimize the complexity of summarizing three accounts for tax reporting to just one. As you can imagine, this will simplify the audit process and ease the transition to whomever eventually next takes over as Treasurer.

I’m really looking forward to this year’s Toy and Food Run. I worked the stage and security in prior years; this is my first year as Treasurer.

If you have questions, comments, or improvement recommendations, just go to our home page, <https://dukaneabateil.org> click the “Board Members” navigation line, and you’ll find a “Send Email” link to get in touch with me. I’ll do my best to respond quickly and thoughtfully.

On 8/19 Tesla is running a BETA program. Education has spoken to 3052 students across Illinois. DuKane ABATE has picked up a High School in S. Elgin with 152 students. There is a new membership with the State with no Chapter. If this is chosen you have no Representative on the BOD. ABATE of IL is discussing several proposed changes in motorcycle rules. Mark Garrison made a motion, seconded by Knucklehead Bob, and a discussion on the previously determined Chapter stand on the topic. There was no change.

Education and Safety; Steve Waltz

Well Fall is finally here. The days are shorter, the weather is getting cooler but there are still many good days of riding left before Old Man Winter shows up. With school back in session we have been busy meeting with driver education students at area high schools. This month we started with South Elgin High for the first time. Had seven classes with over a hundred twenty more students to add to our list. Getting the word out to these first-time drivers about how to interact with motorcycles on the road and what ABATE stands for will hopefully result in making them more aware of us on the road.

Again, with shorter days comes later sunrises and earlier sunsets makes it more difficult for us to be seen during rush hours. Treat every cager out there like they're out to get you. Because unfortunately it seems like a lot of them are. See you all at the Toy and Food Run October 9th. Stay safe and keep the shiny side up.

Steve Waltz

Webmaster: Nathan Klapatch

Hey, everyone,

With the Toy Run coming up, I have a couple of updates to bring up about signing up and supporting the run.

As usual, you can volunteer for the Toy Run online via the website. Not only that, but we've also set up another way of supporting the run: online donations! If you check out the website, we have a link to a page where you can donate a desired amount to help us operate the run and support local charities!

We're also bringing back online registration for the event, this time through Eventbrite. Feel free to get your tickets there if you would like to pre-register!

I hope we get a good turnout of community members, old friends, new friends, and politicians alike, since big events like these can bring them all together! Hope to see you there!

Here they are, click on the easy buttons. Do I really need to explain?

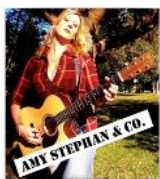

Can you dig it! Fall is here and the 36th Annual DuKane Toy and Food Run is near. Your DuKane board members and volunteers are very excited, and have been working hard behind the scenes to assure that this is the greatest motorcycling event of the year! You may have already heard, but let me remind y'all what we have in store for you this year.

First off, there are 2 registration locations this year. Fox River Harley Davidson in St. Charles and Knuckleheads Tavern in Elburn.

The Fox River Harley Davidson registration starts at 8:30AM. What a great way to start your day! You can sign up, get your wristband, and see all of the wonderful things Fox River Harley Davidson has to offer. Brian Rapier from Windy City Motorcycle Company will treat you well, providing coffee and treats. The group will depart Fox River Harley Davidson for Elburn promptly at 10:30AM.

Our Elburn registration location opens for you at 9:30AM. Follow the directions of the flagging volunteers to the open parking locations. Keep those toy and food donations strapped to your ride, we will be collecting them at Sycamore Speedway. As you register, pick up a kickstand pad provided by The Law Tigers for use at Sycamore Speedway. Amy Stephen & Co. will be filling the air with magnificent music.

At 12:10 gather around the stage where Randy Schoof from The Warehouse Church will be blessing all bikes and riders, and DuKane ABATE's President, Mr. Chris Hansen, will be giving the pre-run announcements.

The Parade launches promptly at 12:30, led by the Kane County Sheriff's department. Elburn PD and Kane County Sheriff's office will be blocking all intersections for us. As you arrive at Sycamore Speedway, our friends from the Christian Motorcyclists Association will be flagging you into the lot.

Events: Chris Newman

Toy and food donations are collected just before you walk into the gate. You **MUST** have a wristband to enter. If you missed it in Elburn, You can register at the Speedway pit shack before entering.

Upon arrival, all current military and Veterans please report to the stage and see Roger Treen. He is organizing our Flag Ceremony. The legendary DJ Pat Capone from Rock 95.5, is our Master of Ceremonies. The Eliminator Band will be rocking the stage with all the great hits from ZZ Top. Food and beverages are provided by Sycamore Speedway. Stroll the vendor aisles for shopping and great information (be sure to pet the puppies!). Ride the mechanical bull as much as you wish!

During the intermission will be our Weenie Bite Contest and Burnout Contest hosted by The Fugarwe Tribe. Stage your bikes and sign up early for the biker games. Trophies will be won by the first 3 places, as well, honor and glory to all who participate and make the show! Fox River Harley Davidson and The Law Tigers are providing new tires for the burnout contest. Fox River Harley Davidson and Steve Hunt from Maxxamus Motorcycle Repair will be installing the new tires. And as if that is not enough, Roadside Superheroes and Mark Del Monaco will be transporting the winning warriors for you!

I am sure I am forgetting something, but you get the gist. Oh yes, it is on Sunday October 9th. See you there!

And most of all, have fun while helping out local charities.

Remember – It's for the kids!

Newsletter: Mike Nicholson

Hi DuKane,

Sometimes I think this Newsletter is just like sausage and some legislation, you don't want to know how it's made as long as the result is something you like. Well, I'm taking you on a tour of the sausage factory.

You see this month and next are going to be a behind the scenes mess. With all the information to get out for the **Toy and Food Run, October 9, 2022**, it was going to be a long Newsletter. Like sausage there was a lot to try to stuff in as compact a space a possible. But, the Chief Sausage Maker found he had to stuff even more and maybe spicier filling into the casing. Yep, it's almost time for the midterm elections, November 8, 2022.

What you get is a huge sausage of a newsletter this month as it has both fillings in it. Sort of like one of those huge Summer Sausages, a little spicy but satisfying. Next month will seem like jalapeno brats or breakfast sausage. Not as big but with a definite strong, maybe hot, filling.

The Board writes their submissions and sends in the pictures, flyers and such. I mix it up and try to get it in a form you want to consume. I also might add some filler, like this piece, to make sure there are no gaps to distract you from your reading.

It also allows me to note that in order to not slight anyone I have placed the Endorsements in order of State Wide Offices, State Senate, State House and County Offices. In each the endorsements are in alphabetical order or rank of Office.

After this is a page of pictures. These are of various politicians who felt it worth their time to come and see us at DuKane A.B.A.T.E. It is a reminder of just how valuable your vote is.

See you along the road,
Mike
