Hello DuKane ABATE!

July was a great – and very busy – month for us. Plenty of riding, celebrating Independence Day on July 4<sup>th</sup>, and great events! The DuKane ABATE Bikini Bike Wash on July 15<sup>th</sup> was a great success, even if we did have to work around some pesky road construction.

The DuKane Santa Girls worked their tails off washing those dirty motorcycles, so huge thanks to them for their hard work! Law Tigers once again supported this event and were great to partner up with. And, as always, Knuckleheads Tavern continued to show why they're a great DuKane ABATE and ABATE of Illinois supporter by being the most gracious of hosts! Any time you're in the area, I highly recommend you stop by and support them back! Even Elburn Mayor Jeff Walter stopped

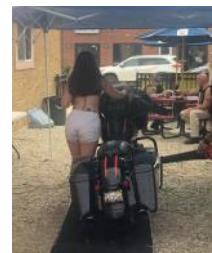

by to take part in the fun and camaraderie! Then on July 22<sup>nd</sup>, the 8<sup>th</sup> Annual #Sethtastic Motorcycle Run was off the charts! Hundreds of motorcycles and jeeps left Fox River Harley-Davidson in St. Charles and rode 65+ miles on a fully escorted and blocked ride (Thank you Kane County Sheriff Ron Hain!) by the Kane County Sheriff's Department and Kane County Emergency Management and ended up at Schmidt's Towne Tap for an awesome after party with music by iPop! There were so many great

sponsors for this event like the Teamsters, Valley Fire Protection, Catom Trucking, Lakeshore Recycling Systems, Legacy Properties & Amy Nelson, Electric Conduit Construction, and others. And all of this was done to bring awareness and prevention to suicide in teens and young adults. This is such an important issue and one that should never be hidden. As always, remember if you ever need help with depression or suicidal thoughts, the number to dial is 9-8-8. You'll immediately be connected with someone that can help. These two amazing events were great to be a part of with everyone! We even participated in the Elburn American Legion Toys for Tots run.

Another great event filled with awesome riding!

# President: Chris Hansen

We continue to talk about motorcycle awareness and how important it is in DuPage and Kane County. Well, for the third month in a row, here we go again. On July 4<sup>th</sup>, the Mayor of Elburn's son was out riding his 2016 Yamaha and was hit at the intersection of Corron Rd and McDonald Rd in Elgin by a female who blew

through the stop sign because SHE WAS TEXTING. Luckily, the motorcyclist walked away with only a few bruises this time. But again, what do we have to do to get the distracted texting driving to stop in Illinois?! There have been too many crashes and too many motorcyclist fatalities in 2023 and many of those are due to distracted driving. The penalties and enforcement of this issue need to be raised, BIG TIME. Big thanks to Steve Graef and Law Tigers for getting on this crash immediately. We cannot stop staying in the public eye and talking about the importance of motorcycle awareness!

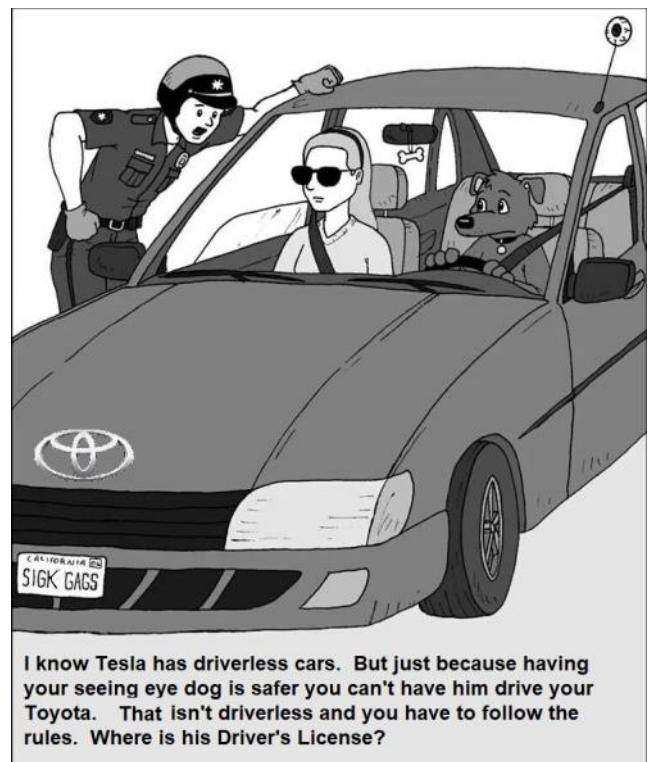

Next up for the DuKane Chapter is another fun event as we'll be taking part in the 2023 Elburn Days Parade on Friday August 18<sup>th</sup>. We'll meet at the Elburn Community Center (Route 47 in Elburn) by 5:00pm. This is always a great opportunity to let a community see DuKane ABATE and hear what it is we do. It's also fun to enjoy the festivities afterwards. Please come out and join us for this event! Then, as always, it's TOY AND FOOD RUN SEASON! The 37<sup>th</sup> Annual DuKane ABATE Toy and Food Run is happening October 8<sup>th</sup>. Events Officer Chris Newman, Secretary Amy Nelson, and the rest of the DuKane BOD have been hard at work getting this event together, and it's for the kids so make sure you grab a toy and food donation and come on out for this event October 8<sup>th</sup>! See Chris Newman's article for all the details!

Well, Ski dropped a bomb and one that landed right here in DuKane ABATE's backyard. It seems that Tesla has decided to hire workers to take their robot vehicles out on the roads and collect data on their self-driving systems in Elgin, IL. This is unacceptable that Tesla continues to be allowed to run these vehicles that don't see and are killing motorcyclists on our roads in DuPage and Kane County with no rules, regulations, or restrictions. We'll be working closely with Ski on this issue as Tesla will hear LOUDLY that we do NOT want their robot vehicles on our roads endangering motorcyclists. We will NOT be their field tests!

Make sure to join us on August 15<sup>th</sup> for our next DuKane ABATE Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. These meetings are incredibly important to attend as you will hear reports from all DuKane BOD Officers, and you will keep up to date on what is happening with motorcyclists' rights in DuPage and Kane County in 2023.

Until next month,  
Ride Safe – Ride Free

Hello All,

HB 2582 has been signed into law. This law eliminates the duplicate motorcycle testing requirement for 16-17 yr. olds. This bill still requires 16-17 yr. olds to attend and successfully complete an MSF Basic Rider Course which includes the standard SOS riding test as part of its curriculum and is a higher standard than what is placed on potential riders 18+ in age. It eliminates the requirement to test a 2nd time at a SOS facility.

SB 1248 is still awaiting the Governor's signature. This bill provides that auxiliary accent lights that are authorized by the Code may emit red light only while the stop lamp on a motorcycle is illuminated and the motorcycle is in the course of braking.

## GOVERNOR'S HIGHLIGHTS:

**Gubernatorial Trade Mission:** Governor Pritzker announced his plans to establish a bilateral United Kingdom and Illinois MoU which would advance manufacturing in energy, technology and life science sectors in both trade and investment. According to the announcement, both the Governor and Minister Huddleston are committed to boosting trade and investment in one another's economies.

During the "Clean Energy & Clean Technology" roundtable, the parties signed an MoU intending to strengthen collaboration to create a net-zero energy future. The list of companies included in the MoU are Commonwealth Edison Company, Ameren Illinois Company, The Peoples Gas Light and Coke Company, North Shore Gas Company, Northern Illinois Gas Company, National Grid plc, UK Power Networks, and Energy Networks Association.

The Governor and the Delegation concluded their visit to the United Kingdom on Wednesday.

**Census Review:** This week Governor Pritzker formally asked the US Census Bureau for a correction to Illinois' census count. From the request: "I am writing to request a 2020 Post-Census Group Quarter Review for the State of Illinois. Based on data collected from our correctional facilities, state-operated facilities for adults and youth, public and private nursing homes, college and university student housing, adult group homes and residential treatment centers, shelters for people experiencing homelessness and other institutional facilities, we believe the total count for Illinois group quarter residents may be higher than what was reported in the 2020 Census counts."

Congressman Raja Krishnamoorthi also continues his attempt to correct the Census Bureau's undercounting of Illinois in the 2020 Census and its resulting loss in its fair share of federal funding by urging the Department of Commerce's Office of the Inspector General to address ways to improve the Census Bureau's Population Estimates Program as part of its ongoing audit of the Census Bureau's Post-Enumeration Survey.

The PES is a tool used to evaluate the accuracy of the decennial census and the PES of the 2020 Decennial Census found 14 states had been undercounted or overcounted, including Illinois which was undercounted by an estimated 1.97 percent.

Congressman Krishnamoorthi's latest request is that, as the COIG audits the 2020 PES, that it also addresses how PES findings can be used to improve the PEP's annual population and resulting federal aid allocations to ensure Illinois receives its fair share of federal funding.

**Disaster Proclamation:** Governor Pritzker issued a disaster proclamation following recent severe weather events around the state. The move allows individuals and businesses devastated by the severe weather and tornadoes on June 29th through July 4th to request waivers of penalties and interest on state taxes if they cannot file their returns or make payments on time. Those impacted are eligible to request a waiver of penalties and interest for income, withholding, sales, specialty, and excise taxes.

The counties covered by the [\*\*Disaster Proclamation\*\*](#) include: Coles, Cook, Edgar, Hancock, McDonough, Morgan, Sangamon, and Washington.

# Vice President/Legislative Rep.; Randy Ramey

**Gubernatorial Appointments:** The Governor appointed the following individuals:

- Elizabeth Sanders will continue to serve as a Member of the Illinois State Board of Investment
- Melissa Neddermeyer will serve as a Director on the Illinois State Toll Highway Authority.
- Mark Wright will serve as a Director on the Illinois State Toll Highway Authority
- Greg Walkington will serve as a Member of the Quality Care Board.

## 103<sup>rd</sup> GENERAL ASSEMBLY:

**JCAR:** The General Assembly's bipartisan Joint Committee on Administrative Rules met Wednesday. On the agenda were recently filed emergency and permanent rules designed to cap costs for two programs (Health Benefits for Immigrant Adults and Health Benefits for Immigrant Seniors) that provide health care benefits to low-income non-citizens who would qualify for Medicaid if not for their citizenship status. Full funding for the programs was estimated to cost \$1.2 billion. The General Assembly ultimately allocated \$550 million in the FY 24 budget and subsequent authorization legislation granted the Department of Healthcare and Family Services authority to implement various cost containment measures.

Democrats Senator Cristina Castro and Representative Eva-Dina Delgado criticized the agency for implementing the rules without appropriate discussions with the advocacy community. JCAR did not vote on either the emergency or permanent rule at Wednesday's meeting. A vote could occur at a future meeting. Emergency rules are valid for 150 days, but the new budget law allows for the agency to refile the emergency rules once they expire.

In other business, the Joint Committee on Administrative Rules voted to issue a formal objection to proposed change in state air pollution regulations change based on the agencies' use of the fast-track approval process. The objection does not prohibit the rule change from taking effect, but it does require the agencies to submit a response within 90 days.

## OTHER NEWS:

**Pretrial Release Act:** In a 5- 2 vote, the Illinois Supreme Court ruled ending cash bail is constitutional, ending months of legal challenges and allowing the Pretrial Fairness Act (which is part of the SAFE-T Act) to go into effect. The stay of the pretrial release provisions will end on September 18.

**Instagram Class Action Settlement:** Instagram parent company Meta has agreed to pay Illinois users a total of \$68.5 million in [a class action lawsuit](#) that alleged it violated the state's biometric privacy law. The lawsuit alleges Instagram's facial recognition technology violated Illinois' Biometric Information Privacy Act by capturing users' biometrics without informed consent. Anyone who used Instagram while in Illinois from August 10, 2015, until August 16 of this year and submits an online claim by September 27 will be eligible for a settlement pending final approval from the court.

**Illinois to Receive Part of Securities Settlement:** Illinois, along with 5 other states, will receive part of a \$12.4 million settlement with Raymond James & Associates, Inc. and Raymond James Financial Services, Inc. The settlement follows the discovery that Raymond James entities charged unreasonable commissions on trades which in turn caused harm to main street investors.

As part of the settlement, Raymond James will pay at least \$8.2 million in refunds to clients nationwide and \$4.2 million in penalties and costs to state securities regulators. Illinois customers will receive \$328,000 in restitution. The Secretary of State's Securities Department levied a \$75,000 fine and will receive an additional \$25,000 reimbursement for the cost of the investigation.

## 2024 Election Update:

Republican State Representative Adam Niemerg will seek reelection to the 102nd District.

Thank you,

Randy

## Treasurer: Mark Del Monaco

Everything's going well after my time in the hospital last month. I've reached that age and health condition where it's better living though chemistry, lol.

This will be a short report again this month because everything is going to plan. This is good news because it makes the treasurer's duties reliable, repeatable, and predictable – as it should be.

Money has been collected for the Bikini Bike Wash last weekend and I'll have the accounting results for you at August's membership meeting and in next month's newsletter. We only had about 20 bikes to be washed, which is a low count, but with the day-before's rain and it being Harley's 120<sup>th</sup> Anniversary, I suspect many riders were reluctant, out of town, or didn't know about it. Too bad, because it was a great day! We did get a bunch of new members and that was great! This year, I brought my pressure washer with a foam cannon. The soap used covered the bikes like snow and worked great on dirt, bugs, and ectoplasmic residue.

It's my opinion, but due to the turn out, we need to take a good look at what we should do with the Bikini Bike Wash. Should we repeat the same plan, advertise and market it more, or maybe not do it? If anyone would be interested in helping with analyzing our events (especially if you have marketing, advertising, and/or budgeting experience), please contact me. If you have recommendations, critiques, or ideas to improve, or if you have an inclining to learn the treasurer's duties, please send me an e-mail at [DukaneTreasure2014@gmail.com](mailto:DukaneTreasure2014@gmail.com) and I'll bring them to the board and events planning group.

Do something for somebody else this month, no matter how small. Create a list of things to do for others so you can "check it off" and give yourself a shot of gratification.

If you have questions, comments, or improvement recommendations, just e-mail me at [DuKaneTreasure2014@gmail.com](mailto:DuKaneTreasure2014@gmail.com). I'll do my best to respond quickly and thoughtfully.

Mark Del Monaco

## Education and Safety; Steve Waltz

Well, here we are in the middle of summer and the heat and humidity are ramping up. Once again, make sure you stay hydrated when riding. Heat stroke can sneak up on you as the air moves about you. Remember to stop often and keep drinking lots of water when riding.

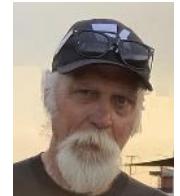

At the last ABATE meeting, on the 18<sup>th</sup>, it was noted that there are now autonomous Tesla vehicles being used as close as Elgin. So, in addition to people on their phones we now have another hazard on the roads. Please be aware and always be thinking of an exit strategy.

As of July 22<sup>nd</sup>, there have been sixty-six motorcycle deaths in Illinois. Sixty-six to many. Stay safe, stay aware of your surroundings and be ready for the unexpected.

Steve Waltz

## Horsepower has a few words:

A big thank you to everyone who helped sell ABATE State Raffle tickets. Please return all cash and tickets [sold and unsold] for the ABATE State Raffle bike by the August membership meeting!!! Time to get ready for the Labor Day drawing at the Springfield Mile event. This project helps finance the ABATE of Illinois organization. See you at the meeting!

## Officer Reports

*The officers of the board give their reports. These are not voted on or need to be accepted.*

NE Region Coordinator: Rich Gruner

GUEST SPEAKERS (if any) \_\_\_\_\_

President – Chris Hansen

Chris talked how Tesla has now authorized self driving cars to be driven with data collected out of Elgin, IL. This is a danger to motorcyclists as we have seen that these robot cars do not see motorcycles. Be prepared for emails to come out with calls to action on this. He also covered another accident in our area. When we talk about being involved and being loud, now is the time. The Mayor of Elburn's son Jeffrey was hit on his Kawasaki by a texting driver. Thankfully, he's ok and working with Steve Graef from Law Tigers. We need to do more to bring motorcycle awareness.

Vice President/Legislative – Randy Ramey

Randy covered legislation and HB2582 (eliminates double testing standards for 17-18 year olds) has been signed by Governor Pritzker. SB896 (legalizes red underglo lighting) has yet to be signed. Randy also echoed Chris' statement about being loud and involved.

Membership – Mark Garrison

BOD State Representative – Kley Abel

Kley did not have much to report and he'll have more after the ABATE of Illinois BOD meeting on August 19<sup>th</sup>. Also, he is still looking for people to buy bricks.

# Secretary: Amy Nelson

Events – Chris Newman

Chris covered the Bikini Bike Wash and stated that it will happen again next year. He then covered upcoming events including the 8<sup>th</sup> Annual #Sethtastic Motorcycle Run and the 37<sup>th</sup> Annual DuKane ABATE Toy and Food Run. There are plenty of events to get involved with. He's also looking for more volunteers for bike nights and such and he will be at the Chicago Bike Nights at the Pit at Wild Fire Harley-Davidson July 19<sup>th</sup>.

Hey, everyone,

ABATE has been pretty busy this month, getting involved in events like the Bikini Bike Wash and the SETHtastic Motorcycle Run. After all, July is a good month for riding.

Interestingly, it's also a good time to support politicians who support us. Normally, we bring this up closer to elections, but it's still possible to support them outside of election season. For instance, there are a lot of parades that happen in July because of Independence Day, and when there are local parades, you can expect politicians to be there.

As an example, I was able to get out to an Independence Day parade earlier and support my State Representative, Amy Grant. She invited me to help her that weekend, and it seemed fitting for me to give her a hand. After all, she got a good grade from ABATE in the last election, and we have similar political leanings. And come Labor Day, there will probably be more parades in our area, so our politicians may need some help during that time. So, if you've got some time on Labor Day, I would suggest checking out the parades going on and seeing if our supporters need some people to walk with them. And they don't have to be just State Legislators either: they could be federal or local officials, too. Whatever the position, it'll be another way to strengthen our bonds with our supporters and give them something in return for helping us.

And other than that, I hope you enjoy some nice rides this summer.

Nathan Klapatch

# State BOD Representative and Much More: Kley Abel

EDITORS' NOTE: Just a short note on why this is here. Like several others, one El Jefe as he was referred to comes to mind, Kley has a few other interests. You know all the usual. A job, home to keep and such. A couple that are pertinent are his family and Scouting. In this specific case one person in particular and one particular activity. Hence the notice below. As a parent of a son who went through this same process I can tell you the parents are highly involved in transportation, logistics and support, lots of moral and emotional support. Enough that it's almost like they deserve a reward as if they earned a rank as well. Oh, they do, but it is not visible to most others. So if you could take a moment, look and see if you might want to support this cause. Thanks.

**My name is Drew Abel, I'm a Life Scout with Boy Scout Troop 140 in Lombard. I'm currently working on my Eagle Scout Project – which is going to be to install a 20' by 40' paver patio behind the Palatine Masonic Temple. To help fund this project, I have set up a website where I will be selling engraved paver bricks that will be installed as part of the patio itself. I'm here to ask for your consideration in purchasing a brick or bricks to help me achieve my goal and earn Scouting's highest rank. I will leave flyers here with the web address, feel free to take one home and/or pass along to other Brothers to help get the word out.**

**I ask all orders be placed on or prior to July 31<sup>st</sup>, 2023 to allow for sufficient lead time for brick engraving prior to final installation.**

The Project SETH Run was absolutely amazing and for a great cause. It was perfect weather and we all had a good time. Many DuKane ABATE members were in attendance, and 4 people became new members at the ride! We also had a couple people renew their memberships. The route through the countryside was excellent. Once again, 70 miles and never put our feet down! Thank you Schmidt's and Fox River Harley Davidson for hosting. If you missed it this year, be sure to attend next year!

The DuKane ABATE Bikini Bike Wash was once again a great success! Thank you Dan and your crew from Knuckleheads Tavern for providing the venue, muscle, and support that we could not do without. The DuKane ABATE Santa Girls did an awesome job of cleaning all of the road grime from the motorcycles. DuKane Treasurer, Mr. Mark DelMonaco, upped our game this

year by bringing out a pressure washer, soap cannon, and advanced motorcycle washing formulas to get the job done well. Amy Nelson did an incredible job of running the front desk and signing up all of the participants. She did an even better job at signing up new members. Amy was quite prolific, taking 7 new membership applications and several membership renewals for DuKane ABATE. Great job Amy! Thank you to our whole DuKane ABATE BOD for helping set up, tear down, and keeping the flow of the day. And most of all, we appreciate all of you who came out to support our DuKane ABATE Santa Girls. See you next time -

How do you convince someone they have to go with you to the DuKane ABATE Toy and Food Run?

It can be as easy as showing them what a great breakfast they can have before the ride. Then show them the bands so they know they will be able to enjoy fantastic music.

If that doesn't do the trick just let them know how safe the ride is. A Police escort, intersections blocked, people leading the ride who know where they are going and have done this before. It might be safer than staying home.
