Hello DuKane ABATE!

What a great March, and I'd like to commend Events Officer Chris Newman on putting together a fantastic ABC – ABATE Bowling Classic! It was great to see everyone out on St. Patrick's Day,

including Vice President Randy Ramey for his birthday, having a great time filled with fun and motorcyclist camaraderie. It was awesome to see Will County ABATE, Northern Illinois ABATE, Open Roads ABATE, South Suburban ABATE, State Representative Jennifer Sanalitro, and Candidate for United States Congress in District 8 Mark Rice in attendance as well!

Congratulations to Mike Sobie for winning the open bowling and to Chris Biard for winning the 9 Pin-No-Tap Tournament! Also, big thanks to Open Roads ABATE for some friendly competition in our axe throwing challenge.

Our rights are still under attack in DuPage and Kane Counties, and we need to stay vigilant. State Representative Dan Didech's bill HB5620 now has a co-sponsor in State Representative Margaret Croke. Every week, head to www.abate-il.org/helmet for the latest link to file witness slips. And yes, it's a new one every week. These witness slip lists are getting shorter each week, presumably because people don't know they're new every week. Please be sure to spread the word. Then, on top of that, we need to call these Representative's offices. You can contact State Representative Dan Didech's office at 217-782-0499 and State Representative Margaret Croke's office at 217-782-8062. Firmly – **but politely** – ask that they remove HB5620 from consideration or agree not to move it. Instead encourage them to work with ABATE on issues that will save lives such as motorcycle training, distracted driving, and regulating driverless cars. Please remember that the staffers that you will speak with did not put these bills out there, nor are they responsible for what's happening. Yelling at them will get us nowhere, so please be respectful. Remember – and spread the word – to fill out witness slips and call their offices weekly! Our rights and freedoms as motorcyclists in DuPage and Kane Counties depend on it.

President: Chris Hansen

April is quickly approaching, and that means it will be Distracted Driving Awareness Month. We are out in our communities giving back through public education on motorcycle safety and awareness. DuKane ABATE Safety & Education Officer Steve Waltz and Membership Officer Mark Garrison are in the schools talking to students, having seen over 600+ last month. Huge shoutout to them for leading the way in Illinois in talking to students. It's imperative that we continue to make our communities aware that motorcycles are on the roads in DuPage and Kane Counties, and DuKane ABATE is committed to that public education. This is something we are all responsible for when talking to motorists.

Please remember as we're getting back out on the roads in DuPage and Kane Counties to ride aware. Remember that motorists aren't looking for us and that they're more worried about Facetok then they are about paying attention. I want you all to stay safe out there.

Until next month,
Ride Safe – Ride Free

Vice President/Legislative Rep.; Randy Ramey

Hello All,

HB 5620 is still in the Transportation Committee. An amendment was filed for this to only apply to riders who are less than 18 years of age. I am sure there will be a call to have more witness slips filed. Be sure when you file a slip that you mark as an "OPPONENT".

103rd ILLINOIS GENERAL ASSEMBLY:

The Illinois General Assembly adjourned this week. The Illinois House will return to session Tuesday, April 2 for four days. Friday, April 5 is the House committee deadline. The Senate is off for two weeks, returning Tuesday, April 9.

As expected, the Senate extended the committee deadline for 398 bills.

HB 5395 (Moeller), which creates the Health Care Consumer Access and Protection Act, passed out of the House Human Services Committee on a 6-3 vote. An initiative of Governor Pritzker, the legislation seeks to: ban step therapy entirely; ban prior authorization for in-patient mental health care; establish statewide standards on clinical criteria when performing utilization reviews; prohibit insurance companies from selling Short Term Limited Duration Plans; require insurers to publicly list all treatments that require prior authorization; and prevent insurance companies from unfairly increasing rates on consumers. The sponsor indicated she intends to work on an additional amendment before the bill is voted on by the full House. HB 5395 is now pending before the full House.

Protecting Illinois children from social media is the aim of **HB 5380** (Gong-Gershowitz) which passed unanimously from the House Consumer Protection Committee. By creating the Let Parents Choose Protection Act, the bill gives parents the option of using third party safety software on all major social media platforms (such as Snapchat, Google, You Tube, Reddit, TikTok, Facebook, and Instagram). The sponsor pledged to continue conversations about “legitimate concerns”, but that she will not commit to appeasing tech companies. HB 5380 now heads to the full House.

Legislation to create the Portable Batteries Stewardship Act – **HB 5348** (Chung) – is now before the full House after passing from the House Energy and Environment Committee by a vote of 20-2.

Units of local government could regulate the use of drones (for example, over parks, playgrounds, wildlife areas, or other recreational facilities) under **HB 4715** (Rita). The bill had unanimous approval by the House Executive Committee and is now pending before the full House. The sponsor pledged to continue working on the legislation.

Legislation to create a mobile driver’s license/identification card - **HB 4592** (Buckner) unanimously passed the House Transportation Committee. The proposed legislation would authorize the Illinois Secretary of State to create and issue mobile Identification Cards and Drivers Licenses. HB 4592 is now pending before the full House.

The Senate Judiciary Committee unanimously approved **SB 3420** (Gillespie), which now heads to the full Senate. The measure provides that unfair service agreements cannot be enforced, and it is unlawful for a business to enter into such an agreement with a consumer.

The Digital Voice and Likeness Protection Act would be created by **HB 4762** (Gong Gershowitz); it passed unanimously from the House Judiciary Committee and now heads to the full House.

Making psilocybin legal for medical treatment of mental health conditions would occur under **SB 3695** (Ventura). The Senate Executive Committee held a subject matter hearing on the bill, which would create the Compassionate Use and Research of Entheogens Act. According to proponents, 23 states are pursuing similar legislation, and their testimony promoted the benefits of psilocybin for treating various mental health conditions including drug resistant depression, PTSD, obsessive-compulsive disorder, addiction, anxiety and others.

Vice President/Legislative Rep.; Randy Ramey

Speaker Welch formed a Teacher Shortage Working Group to address vacancies in Illinois schools and explore recruitment and retention of qualified educators. Representative Katie Stuart will lead the new initiative. Other members: Representatives Harry Benton, Sharon Chung, Fred Crespo, Will Davis, Laura Faver Dias, Michelle Mussman, Aaron Ortiz and Sue Scherer.

2024 Key Dates and Session Deadlines:

April 5: House Committee Deadline for House Bills

April 12: Senate Third Reading Deadline

April 19: House Third Reading Deadline

May 3: Committee Deadline for Bills in the Opposite Chamber

May 17: House and Senate Third Reading Deadline for Bills in the Opposite Chamber

May 24: Adjournment

May 25 – 31: Contingent Session Days

GOVERNOR'S HIGHLIGHTS:

New Laws: Governor Pritzker signed [SB 15](#) (Harmon), which divides Chicago into 10 districts and 20 subdistricts for determining members of the Chicago Board of Education (BoE). Later this year, the Mayor will appoint the BoE President and 10 members. Then in the 2024 general election, an additional 10 members will be elected. All members of the Chicago Board of Education will be elected in the 2026 general election.

Major General Rich Neely to Retire: After 40 years of service, May will bring retirement for Major General Rich Neely -- Adjutant General for Illinois, Commander of the Illinois National Guard, and Director of the Illinois Department of Military Affairs. Replacing him will be Major General Rodney Boyd.

Executive Order 2024-01: Providing a framework for financing and expanding access to new therapies and medications --like the recently approved gene therapies for Sickle Cell Disease -- are the essence of [Executive Order 2024-01](#) recently signed by the Governor. The measure directs the Illinois Department of Healthcare and Family Services to establish -- within the Illinois Medicaid program -- financial structures for access to new sickle cell disease treatments and other new high-cost drugs and treatment. The EO also creates the Advisory Council on Financing and Access to Sickle Cell Disease Treatment and Other High-Cost Drugs and Treatment; it is to deliver a set of recommendations by December 31. The new Advisory Council is to bring a special emphasis to value- and outcome-based models and identify payment and financing options.

Next General Capacity Building Initiative: The inaugural class of the Next Generation Capacity Building Initiative has been announced; the effort zeros in on capital, training, and technical assistance to reduce barriers to entry for developers of color. Both the Illinois Housing Development Authority and the Local Initiatives Support Corporation are spearheading Next Gen. The initial cohort of 21 emerging developers will help further Illinois' goal of growing a diverse pool of affordable housing developers.

EPA Funding Opportunity for Sharps Collection: The Illinois EPA is offering grants to units of local government for household waste collection and disposal of sharps (needles, syringes and lancets). Up to \$35,000 per applicant will be awarded, to cover the expenses of collecting, storing, and disposing of used sharps. Possible eligible expenses: purchase of collection containers for use not only by individual residents but also at collection stations; mobilization fees from Potentially Infectious Medical Waste (PIMW) transporters to pick up collected sharps; and disposal fees for the collected sharps. Application deadline is June 25, 2024.

IDPH Issues Standing Order for Asthma Inhalers: The Illinois Department of Public Health signed a standing order allowing trained personnel in schools to use "undesignated" asthma inhalers to treat students with respiratory distress. Undesignated medications are those that are not prescribed for a specific student but can be used in an emergency to address any student's asthma-related symptoms. The order is in effect through February of 2025 and will be reviewed and updated annually.

Vice President/Legislative Rep.; Randy Ramey

Homeowner Assistance Fund: The Illinois Housing Development Authority released the Illinois Homeowner Assistance Fund (ILHAF) Final Report. Created through the State's allocation from the American Rescue Plan Act of 2021, ILHAF provided relief to households still reeling from financial hardships caused by the COVID-19 pandemic.

Procurement Webinar Series: The Illinois Commission on Equity and Inclusion is offering a new Business Enterprise Program and Veterans Business Program Certification Educational Webinar series. The effort is in collaboration with Chief Procurement Offices.

ATTORNEY GENERAL HIGHLIGHTS:

Attorney General Appeals Venue Shopping Ruling: The Illinois Supreme Court is being asked to decide on the constitutionality of [HB 3062](#) – it became Public Act [103-0005](#) which limits the filing of challenges to state laws and actions to Cook and Sangamon counties. Attorney General Kwame Raoul appealed directly to the state's high court after a Madison County judge ruled that the law violated the due process rights of one plaintiff in a lawsuit in that jurisdiction.

Felons Possessing Firearms: AG Raoul led a coalition of 22 attorneys general in filing an [amicus brief](#) defending the federal law that prohibits possession of firearms by people who have been convicted of felonies. Filed in U.S. v Prince, Raoul and the coalition ask the U.S. Court of Appeals for the 7th Circuit to overturn a lower court ruling that found the law unconstitutional.

Methane Emissions: AG Raoul joined several attorneys general in another matter as well. He and 20 other attorneys general united in filing a [motion to intervene](#) in the U.S. Court of Appeals for the D.C. Circuit to defend the U.S. Environmental Protection Agency's Oil and Gas Methane Rule.

The agency's final rule strengthens the regulation of methane emissions from new, modified, and reconstructed facilities in the oil and natural gas sector. It also, for the first time, regulates emissions from existing facilities. A group of states, led by Texas and Oklahoma, is challenging the rule.

OTHER NEWS:

Pretrial Release Appeals Task Force: The Illinois Supreme Court received and approved the report and recommendations from the Pretrial Release Appeals Task Force. Created in January 2024, the Task Force reviewed pretrial release appeals and their impact on the caseloads in each of the five Appellate Court districts. Proposed amendments by the Task Force aim to streamline the PFA (Pretrial Fairness Act) appeal process while ensuring that the pretrial setting still has a meaningful review of decisions to detain, release, or impose conditions of release. The appellate courts have faced a significant increase in caseloads since the Pretrial Fairness Act began on September 18, 2023. Specifically, the caseload levels went from an average of 17 annual bond appeals to a projected 4,557 appeals under the PFA -- a 268-fold increase. The amendments are available [here](#) and are effective April 15, 2024.

US EPA Issues Rules Targeting "Tailpipe Emissions": On Wednesday, the US EPA issued new first of the kind rules targeting tailpipe emissions, aimed at ensuring the majority of new passenger cars and light trucks sold in the nation are electric or hybrid by the year 2032. The rule phases in increasingly strict standards so that by 2032 most new cars sold would need to be zero-emission vehicles to meet the new standard.

Chief of Staff to Chicago Mayor to Step Down: Rich Guidice, Chief of Staff for Chicago Mayor Johnson, is retiring at the end of the month. Former State Senator and current First Deputy Chief of Staff Christina Pacione-Zayas is reportedly next in line.

Campaign Update: Republican Representative Adam Niemerg prevailed in his write-in campaign against IEA funded Jim Acklin.

Thank you,

Randy

GUEST SPEAKERS (if any)

President – Chris Hansen

Chris covered HB5620 , which is State Representative Dan Didech’s Mandatory Helmet Bill. He now has a co-sponsor on the bill, State Representative Margaret Croke. Keep filling out witness slips weekly and calling their offices. When calling their offices, be polite to the staffers as they have nothing to do with creating this bill. We need to keep the pressure on as our rights are at stake.

Vice President/Legislative – Randy Ramey

Randy followed up on staying active on working against HB5620 . Also talked about Legislative Day on April 17th and how it’s important to be at the Capitol Building to speak with our Elected Officials. If anyone wants to go, let Chris Hansen know.

BATE Bowling Classic and how it was a success. Thanked sponsors Law Tigers, Sycamore Speedway, and Toy Shop & Motolounge. Talked about the upcoming DuKane ABATE vs. Open Roads ABATE Axe Throwing Competition happening Saturday.

Treasurer: Mark Del Monaco

February's finances are balanced with the bank statement. No bad news. Our Abate Bowling Classic was a complete success. I'll have the full Income-minus-Expenses accounting including the Value Add items for next month's membership meeting and newsletter. Value Add items are income items that were received because of the event, e.g. new memberships, donations, 50/50 chance, Abate swag garage sale, etc.

I have some ideas to enhance our budget accounting spreadsheet to automatically create an event Profit/Loss report including totaling up Value Add transactions. This will allow us to simply balance bank transactions (including SQUARE credit card transactions) and the Event report, (e.g. ABC, Toy & Food, etc.) is generated automatically. This report would be used to help us manage our budgets and make better budgeting and promotion decisions each year.

I have selected Old Glory Bank for our banking needs. To start, I am in the process of moving my personal banking to Old Glory from Old Second. So far, I'm very pleased with the online presence, Bill Pay, depositing checks (I haven't tried depositing cash yet, but that should be easy), no-fee use of Debit Card or in-network ATM, etc. Depositing cash is as easy as creating a deposit slip on the app then taking the cash to one of several retail stores (Walgreens, CVS, 7-11, etc.), showing the deposit slip, handing over the cash, and getting a receipt. Their smartphone app is very easy to use, including features like finding cash deposit locations "near me". Old Glory does not integrate Zelle or Venmo (or any other) payment methods. These organizations often sell transaction data and are in the news of cooperating with the government to report specific buying trends of specific people/groups. The standalone version of these payment apps can be installed on a phone or computer and then linked to the Old Glory account if needed, but Old Glory is not planning on integrating these functions. Right now, we don't have a need for it anyway. I will continue to inspect the Corporate account agreements to ensure Old Glory will functionally be a good bank for DuKane Abate, a 501(c)4 organization. If you have no knowledge of Old Glory Bank, look them up, <https://oldglorybank.com> click on "who we are" and browse their board, team members, and other info. If you have any firsthand experience, I'd like to know your thoughts.

When riding, make situational awareness your number one attention priority. Make no assumptions about those driving around you. Keep your distance from immovable objects at a confident reaction time; make no assumptions of what other drivers might do. Enjoy the ride!

If you have questions, comments, or improvement recommendations, just e-mail me at DuKaneTreasure2014@gmail.com. I'll do my best to respond quickly and thoughtfully.

Education and Safety; Steve Waltz

Looks like we are going to get away with the end of winter sooner than latter this year. If you haven't gotten on the road yet you really should be taking advantage of this early riding season. Starting to wrap up the final semester of driver education classes over the next two months and have the summer school sessions pretty much lined up. We have spoken to 717 students over the months of January and February with hundreds more to add for March.

I have also been having some discussions on addressing future drivers with organizations outside of the normal classroom. If it works out, I will include an update next month. Motorcycle awareness month is in May and will be here before you know it, as in past years we will be out at two locations to draw attention to distracted driving particularly cell phone use. Looking forward to seeing as many members as possible at this event on May 11.

Remember when you ride consider yourself invisible because everybody else on the road sure as hell doesn't see you.

Steve Waltz

Webmaster/Public Relations: Nathan Klapatch

Hey, everyone,

We're getting back into the swing of things this month. Already, we've had 2 events, including our ABATE Bowling Classic. We also branched out a bit and had some fun with the Open Roads Chapter doing axe throwing! Even though I didn't win the tournament, I did manage to get a few bull's-eyes and try my hand at something I haven't done since I was in Boy Scouts. And as always, it was nice to build community together with other ABATE chapters and have a bit of fun in the process.

And that's just the start of it! We've got more events to come in April and May. Chief among them is Legislative Day, which will be in April and give us another opportunity to speak with Illinois legislatures about motorcycle rights. And in May, we'll be once again having a Motorcycle Awareness Day to keep drivers on their toes instead of on their phones. Later that month, we'll also be coordinating with Sycamore Speedway and their National Flat Track Races. So we have plenty of events for us to look forward to and get involved with.

And speaking of events, I've have a newer cell phone featuring a better camera that I've been using at the events. With that said, you may notice that our event pictures getting better than in previous years. I hope you enjoy them and the events that we have this spring!

Happy spring? Too soon? Hopefully y'all had a chance to go forth and ride during fools spring. There is snow on the ground and falling from the sky as I am writing this, recalling beautiful days recently past, when the roads were favorable to Putting

some more miles on my ride. Some of us did head out to Cycle Gear Bolingbrook Bike Night 3.0. There was a huge turnout for the first Bike Night of the season. Several hundred motorcycles were in attendance. Our friends from Will County ABATE had an ABATE information booth set up. Steve Graef from

The Law Tigers was there as well. The CMA Christian Motorcycle Association was keeping order, controlling the traffic and parking. It was great to hang out with the fine folks from the CMA again, as always. An awesome time was had by all. Keep your eye on social media for the next Bike Night!

7th Annual ABATE Bowling Classic

Our 7th Annual ABATE Bowling Classic is in the books. What a great time was had by all! Congrats to our 7th annual ABC Tournament winners! Thank you to Steve Graef and The Law Tigers for the awesome trophies! Chris Biard was our 9-Pin Tournament Champion winning \$100 and the fine 1st Place trophy. We wound up with a first ever tie for first place in the Open Bowling category! The dispute was settled peacefully. After many suggestions, we decided the safest way to determine the winner with a one frame bowl-off. Mr. Mike Sobie prevailed and brought home the first place brass. Congratulations to everyone and thank you for attending!

Motorcycle Awareness Day

Come one, come all! Everyone is welcomed and encouraged to attend. Join us on Saturday May 11th for **DuKane ABATE's Motorcycle Awareness Day** from 11-2! DuKane ABATE will be in 2 locations, spreading the word of motorcycle awareness to both DuPage County and Kane County.

DuPage County meeting location is DuPage Honda parking lot at the corner of RT64 and County Line Road in West Chicago.

Kane County meeting location is the BP Gas Station, at the intersection of RT38 and RT47 in Elburn.

We will post at the intersections and let drivers know to WATCH FOR MOTORCYCLES! This is a joint effort with the Kane County Sheriff's Department, DuPage County Sheriff's Department, Carol Stream Police Department, and the Elburn Police Department. Join us for a free lunch, compliments of Knuckleheads in Elburn after the event! This is a free event. See you there.

National Flat Track Motorcycle Racing

Sycamore Speedway

National Flat Track Motorcycle Racing returns To Sycamore Speedway on Friday May 17th and Saturday May 18th at 7:00PM both nights. Spread the word, pick up and pass out fliers. We need help on both nights selling State Bike Raffle Tickets, Membership Booth, Flaggers, and the front gate.

Save the date and be there.

Something new for this year, you can ride in and race! Two street bike classes will be racing on both nights.

HOOLIGAN CLASS

This has become one of the hottest classes in motorcycle racing. National Flat Track will offer this grassroots/run what ya brung free for all, whether you're a beginner or a hooligan veteran.

Two or four stroke multi cylinder stock street bike production frame.

No geometry changes allowed that are not bolt on. No fabrication allowed to change neck angle, no moving stock swingarm pivot location on frame, no removal of subframe or changing stock upper shock mount location(s), unless it is a bolt on modification. Aftermarket swingarms are allowed.

All lights/glass must be taped or removed.

RUN WHAT YA BRUNG CLASS

OPEN STREET BIKE, BAGGER, CAFE RACER, SPORTBIKE, CRUISER ETC All lights must be taped. Sounds like fun, right!

Let me know if you can help. Let's pack the stands, bring everyone to this exciting motorcycling event.

The poster features a vibrant, stylized background of swirling green and yellow flames. At the top, the event title 'SMOKIN' OPEN HOUSE' is written in large, bubbly green letters with a yellow outline. Below this, the date and time 'APRIL 20 11AM-4PM' are displayed in bold black text. To the right, there are two logos: the Woodstock Harley-Davidson logo featuring an eagle, and the Illinois Woodstock K&M Triumph logo with a checkered flag and the text 'WE RIDE'. The central text lists the event's attractions: '~ LIVE MUSIC', '~ FOOD TRUCKS & BEVERAGES', and '~ VENDORS', all in bold, bubbly letters with green and yellow outlines. At the bottom, a photograph shows the Woodstock Harley-Davidson building with several motorcycles parked in front. A QR code is located in the bottom left corner, with the text 'SCAN HERE FOR MORE INFORMATION' below it. On the bottom right, there is a graphic of a skeleton riding a motorcycle with large flames trailing behind it. The address and contact information are at the very bottom.
