Hello DuKane ABATE!

May was an incredibly busy month for our chapter with Motorcycle Awareness Month. We received Motorcycle Awareness Month Proclamations from Kane County, IL, Elburn, Wayne Township, St. Charles, South Elgin, Batavia, Hampshire, North Aurora, Burlington, Maple Park, and others. It was great seeing so much information spread about motorcycle safety and awareness throughout our communities. Knuckleheads Tavern in Elburn once again proudly displays a Start Seeing Motorcycles banner on the front of the building and Safety & Ed Officer Steve Waltz and Membership Officer Mark Garrison spoke to hundreds of students. We also used our social media to spread the message. It was a great effort by our chapter to make motorists and our communities in DuPage and Kane County aware of motorcyclists on the roads, and that work will be kept up all year long.

cial media to spread the message. It was a great effort by our chapter to make motorists and our communities in DuPage and Kane County aware of motorcyclists on the roads, and that work will be kept up all year long.

Speaking of Motorcycle Awareness Month, DuKane ABATE Motorcycle Awareness Day on May 11<sup>th</sup> was a great success. We worked with the DuPage County Sheriff's Department, Kane County Sheriff's Department, and Elburn Police Department in attempts to stop distracted driving at the intersection of Route 47 & 38 in Elburn and at DuPage Honda Yamaha in West Chicago. We were joined by Elected Officials State Representative Jennifer Sanalitro, State Representative Dan Ugaste, State Senator Don

DeWitte, State Representative Stephanie Kifowit, Kane County Board Madam Chair Corinne Pierog, DuPage County Board Member Greg Schwarze, and others. Knuckleheads was a gracious host for lunch afterwards, and big thanks to Vanessa from Knuckleheads for working her butt off to accommodate us. Following this, we had a great weekend of motorcycle racing at the Sycamore Speedway, who teamed up with National Flat Track. Our chapter absolutely loves motorcycle racing and we're proud to be a part of this every year. It was also great to have the ABATE of Illinois State Raffle Prizes on-site at this event. Thank you to all the volunteers that helped work this great event. We can't wait to do it again September 6<sup>th</sup> – 7<sup>th</sup>!

We have some great events coming up in the DuKane ABATE Bikini Bike Wash on July 13<sup>th</sup> at Knuckleheads Tavern in Elburn and the 38<sup>th</sup> Annual DuKane ABATE Toy and Food Run on October 13<sup>th</sup> which will feature 7<sup>th</sup> Heaven rockin' the Sycamore Speedway Stage! Both events will be a great day of motorcyclist camaraderie and the Toy and Food Run allows us to give back to our communities in DuPage and Kane Counties by collecting toy and food donations for children in need. Be sure to check out Chris Newman's article for more information and have plans to be at both events!

Make sure to join us on June 18<sup>th</sup> for our next DuKane ABATE Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. Come hungry as Melissa will be making her famous tacos! These meetings are incredibly important to attend as you will hear reports from all DuKane BOD Officers, and you will keep up to date on what is happening with motorcyclists' rights in DuPage and Kane Counties in 2024 as we work to preserve the legacy of motorcycling through resources, education, and political representation!

Until next month,

Hello All,

As I mentioned at our meeting, the governor and the majority parties were going to enhance revenues which in layman terms means TAX INCREASES!

This week, the Illinois General Assembly passed Governor JB Pritzker's bloated budget and nearly a billion dollars in new taxes to fund the migrant crisis he created. Pritzker's budget sets a new record for government spending at just over \$53 billion – an increase of nearly \$13 billion, or 32%, since the Governor took office. Meanwhile, the budget shortchanges members of the developmentally disabled community, K-12 and college students, along with the taxpayers forced to foot the bill. The alarming surge in government spending was primarily fueled by temporary emergency COVID funds and unexpectedly high state revenue. Rather than using these resources wisely, Pritzker and his legislative allies created new programs and increased permanent government spending. This includes an annual expenditure of approximately a billion dollars on programs for non-citizens, including top-tier healthcare. They were cautioned against using temporary dollars to fund permanent spending and instead should have reduced government spending and reining in costs!

## BUDGET

**Democrats pass largest budget in state history; vote for tax hikes, politician pay raises and a billion dollars for non-citizens.** In the early morning hours Wednesday, Democrats in the Illinois General Assembly voted to implement a \$53.1 billion spending plan, passing the largest budget in state history, without Republican support. The Fiscal Year 2025 budget is a whopping \$2.6 billion more than last year's enacted budget and includes pay raises for politicians and a staggering \$1 billion for non-citizens. Moreover, Democrats voted for \$1 billion in tax hikes to pay for their record-breaking spending. Over the last four years, the Democrat-controlled General Assembly has joined Governor Pritzker in a voracious appetite for increased government spending. Since the Fiscal Year 2020 budget, Democratic lawmakers have voted to grow state expenditures by more than \$13 billion, from nearly \$40 billion in 2020 to more than \$53 billion this year and have forced hard-working Illinoisans to foot the bill. Here is what House Republican lawmakers are saying about the FY 2025 budget:

## TAXES

**Democrats needed three tries to pass \$1.1 billion revenue plan just before 5 a.m.** After a near-derailment and an all-nighter to wrap up the General Assembly's spring session, supermajority Democrats in the Illinois House gave final legislative approval to the state budget as the sun rose Wednesday morning.

Despite holding 78 seats in the chamber, it took Democrats three tries to reach the 60 votes needed to approve more than \$1.1 billion in revenue increases, including a tax hike on sportsbooks and businesses, to balance the \$53.1 billion spending plan for fiscal year 2025. The spending plan passed 65-45, with seven Democrats joining Republicans in opposition.

The revenue plan that capped the voting on the budget-related bills was more of a challenge. House Bill 4951 fell one vote short of passage twice after 4 a.m. due to attendance issues. On the third try – after about an hour of procedural maneuvering by Republicans that left Democrats reeling – the bill passed at 4:43 a.m. with the minimum 60 votes necessary.

"You – you passed these rules," Rep. Patrick Windhorst, R-Metropolis, scolded Democrats after the majority party voted to suspend the House rules in order to bring the revenue plan up for a vote a third and final time.

"I think it should be clear to everyone in the state what this supermajority is willing to do to ram a tax increase down the throats of the citizens of Illinois at 4:30 in the morning," he added.

**Illinois legislators called for meaningful property tax relief, not another study.** Gov. J.B. Pritzker could have had another chance to create a task force to conduct a study of Illinois' property tax system after a measure advanced both chambers despite some saying it would be a waste of time.

In 2020, after the Illinois Property Tax Relief Task Force missed its deadline, Illinois Republicans said they wouldn't sign off on a draft report because it didn't include substantive changes to the state's property tax system. Over 70% of our property taxes go to our school districts and they should be involved and we should try to understand where that 70% is going

# Vice President/Legislative Rep.; Randy Ramey

## JOBS

**Metro Illinois jobs report for April 2024.** The report, published by the Illinois Department of Employment Security (IDES), contains granular information on Illinois unemployment, broken out by 14 specific geographical areas in which most Illinois residents live. This data enables a closer look at Illinois unemployment than that conveyed by the overall statewide figure, which was 4.4% in April 2024. Over-the-year, the unemployment rate increased in thirteen metropolitan areas, and decreased in one.

April 2024 unemployment was significantly higher than this statewide figure in certain Illinois metropolitan areas. The unemployment numbers were 5.3% in metro Danville, 5.7% in metro Decatur, 5.7% in metro Kankakee, and 5.9% in metro Rockford. Regions of Illinois with significantly higher unemployment than the statewide average tend to be metro areas with a traditional orientation towards manufacturing and industry, including so-called “heavy industry.”

Unemployment rates are significantly higher in many regions of Illinois than they were twelve months earlier in April 2023. The year-over-year jobless figure in greater Chicago has gone up by 90 basis points, from 3.4% in April 2023 to 4.3% in April 2024. This increase in heavily populated metro Chicago helped drive a parallel increase in Illinois, during the same period, from 3.8% to 4.4%. Illinois, the Chicago area, and many other metro areas within the state continue to suffer from significantly higher unemployment rates than those posted by neighboring states. They are also higher than the jobless figures posted by the U.S. as a whole during the same month.

As has been mentioned on many occasions, ELECTIONS HAVE CONSEQUENCES! We have a tax and spend Governor who has an abiding supermajority in each chamber of the state legislature. We the residents of this once great state should stand up and make change or our bank accounts will be empty!

Thank you,

Randy

April's finances are balanced with the bank statement, no issues.

Per my blurb from last month, I am going to open a small business bank account with Old Glory Bank <https://oldglorybank.com> to replace our bank account with Old Second Bank (formally West Suburban Bank). It will take a while to make the full transition moving payees, getting new debit cards, officer signatures, etc., probably until 3<sup>rd</sup> quarter, but I am convinced it will be an improvement over our current banking situation.

Last week, I discussed potentially moving to a different credit card transaction service instead of using SQUARE. The feedback was to stick with SQUARE; it's what we know, the fees are competitive (if not slightly better), and if we want, we can upgrade our terminal hardware instead of using the little square devices that plug into our personal smartphones. Transitioning to Old Glory Bank will keep me busy enough; it's best we minimize the moving parts.

I don't know about you, but I've been enjoying this weather being out and about. I have not pursued Pivot Tables in Excel to automate our Event reporting, nor have I been all that diligent with general treasurer activities, but I'll get to it and you won't even notice. I promise.

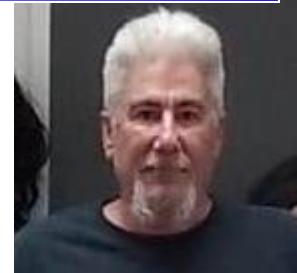

Keep your head on a swivel and enjoy riding!

If you have questions, comments, or improvement recommendations, just e-mail me at [DuKaneTreasurer2014@gmail.com](mailto:DuKaneTreasurer2014@gmail.com). I'll do my best to respond quickly and thoughtfully.

Here we are end of May and the beginning of June with summer on the horizon. We have wrapped up our regular school semester visits with summer school beginning in June. So, for this year we have visited with 1926 students and many more to come. DuKane ABATE has been asked to participate in a steering committee with the Kane County Dept. of Transportation to study road and transportation issues in the county. We will be looking for input on road improvements and future changes to county roads going forward.

As of this writing 32 motorcyclists have lost their lives so far this year in Illinois. Thirty-two to many. Pay attention, drive safe and watch out for the other guy. They sure don't watch out for you.

## Webmaster/Public Relations: Nathan Klapatch

Hey, everyone,

It's been a busy month for us. After all, we've been involved in 3 events in a month! First was Biker Sunday, a biker-centered church service at Warehouse Church. Second was Motorcycle Awareness Day. Like last year, we stood at intersections in DuPage and Kane county and encouraged drivers to focus on the roads instead of their phones. We had plenty of candidates and politicians come out to meet and support us there, which is always good to see. And lastly, we were at Sycamore Speedway's National Flat Track Racing, watching some fast races and raising funds for ABATE with our yearly bike raffle. We've got lots of pictures from these events, and you can see them on Facebook and our website in case you missed any of the events or if you just want to see if we got a picture of you!

Aside from that, I would like to highlight some events made to honor one of our brothers who passed away earlier this year. In January, we received the sad news that Nick "Opie" Peterson died. While I didn't get the chance to know Opie, many in our chapter and the biker community did, and they recognize him as a strong, loyal friend.

With that in mind, I'm happy to say that some events have popped up to allow people to honor him and give their respects. For instance, there was a celebration of life at Winner's Circle Bar and Grill earlier this month. Many of Opie's friends came to pay their respects, and there was even a solid wooden bench for them to sign in his honor! And not too long from now, Odd Fellows will be hosting a poker run named after him: the Nick "Opie" Peterson Annual Bike Run. It's a poker run on June 8th with the KSU at 10AM, at the Odd Fellows Sycamore Lodge. It will be a nice opportunity to do something in memory of a good friend.

And since summer is here, there will be plenty of opportunities to meet with friends in the biker community and make some more. I hope we all get plenty of chances to do so!

## Biker Sunday

May was quite a month for DuKane ABATE! We kicked it off with Biker Sunday at the Warehouse Church in Aurora. What a great time that was. Many Dukane ABATE members were in attendance. DuKane also had 7 people who were at Biker Sunday join our Chapter that day. Beautiful weather, beautiful people, great food, great friendship, be sure not to miss this event next year!

## Motorcycle Awareness Day

Motorcycle Awareness Day was a hugely successful event. Covering both DuPage and Kane County, we got the word out about cell phone usage while driving and motorcycle awareness. Over a dozen elected officials joined us on this day of action. We could not have been so effective without the help of DuPage County Sheriff, Kane County Sheriff, Kane County Sheriff Cadets, and The Elburn Police Department. Thank you to the CMA for joining us once again. Thank you Knuckleheads Tavern in Elburn for providing lunch and a spot to wind down and recap the happenings of the day.

## National Flat Track Motorcycle Races

Thank you Sycamore Speedway for allowing us to assist with the National Flat Track Motorcycle races! This was such a great time. 2 nights of bar to bar battle action on this historic race track. I picked up the ABATE State Raffle Bikes and we had them there all weekend. Many members came out and helped us sell a lot of raffle tickets. We also talked to people about who ABATE is and what ABATE does. We picked up a new member too! A great time was had by all.

## Bike Nights Booth Help

There are several large Bike Night events that happen all over our community all season long. These are a great way for us, as ABATE, to reach out to our fellow riders. Why reach out to other riders? We will not live forever, and it is our responsibility to bring in new members to help carry on the legacy, that is ABATE, for future generations to come. There is a large percentage of riders who never heard of ABATE. Many others have heard of us, yet have no idea what we do. I also get “you are the helmet law people” quite a bit as well. . How can people join us if they do not know who we are? How can people join us if they know not what we do? How can people join us if we do not ask?

The best was to do this is by having a 10 x 10 ABATE information booth set up at these events. Over the last several years, I have set up our ABATE booth at an abundance of these events. We have signed up dozens of new members. We have developed many solid relationships. Our presence is welcomed by the hosts. We need your help to keep this going. The opportunity is there for us to take. We just need some people to do what needs to be done. So many opportunities are available. Let me know where you fit in to the plan. Call or text Chris at 630-302-4445 or [dukaneevents@gmail.com](mailto:dukaneevents@gmail.com)
