

From the President: Chris Hansen

Hello DuKane ABATE!

What a great month for riding, albeit a little toasty. I found myself a nice sunburn while racking up the miles this month, but it was well worth it in my limited time home to ride. I was grateful for no rain while I was in town.

Vice President Randy Ramey has talked about it numerous times, but I will repeat it. Elections have consequences! Like we talked about at the Monthly Membership Meeting this month, we all remember the high-school student that killed a motorcyclist in front of Kaneland High School last year. The student was not charged with anything due to the choice of the Kane County State's Attorney citing not wanting to hurt the student's mental health. Well, come to find out through conversation, this student learned nothing. She jokes about it and has gone on with life as if nothing happened. What about the family who lost someone? What about their mental health? This student learned nothing and faced no consequences. That's one reason why paying attention to local elections and politics is so important. Know where candidates for State's Attorneys, Judges, County Board Members, etc. stand with motorcyclists. Do they have our best interests in mind when it comes to what happens on our roads in DuPage and Kane Counties? It's so easy to pay attention to State and Federal Elections that you forget about what's happening locally. Remember, a lot of these State and Federal Candidates start at the local level. So, if we build those relationships now, when they head to the State House or to Washington DC, we already know that we have a candidate that will work to preserve the rights of motorcyclists. Pay attention to what's happening in your communities with your candidates and get to know them and make sure they know who we are!

We have a lot of events coming up in July and it's going to be a busy month. We have the DuKane ABATE Bikini Bike Wash at Knuckleheads Tavern on July 13th with the DuKane ABATE Santa Girls washing your motorcycles. The Ride for John is July 20th for fentanyl awareness in our communities leaving out of Fox River Harley-Davidson.

Then on July 27th, it's the 9th Annual #Sethtastic Motorcycle Run. I would like to touch on this ride a bit. Project Seth is a foundation that brings awareness to suicide in teens and young adults. I've been a part of this foundation since early on and remember the day that Brett and I came up with the idea to have this motorcycle run. It's been absolutely amazing to see what it has grown into and the support that it generates every year. Making depression and suicide something people can talk about, rather than hide, has been a great success of this event. As someone who has struggled with depression and suicide in the past, knowing that there is a huge support network out there for people to talk rather than feel alone is a great progression in where things have come over time. Let anyone know that's struggling that there is a place to turn and remember that 9-8-8 is the suicide prevention lifeline. You can call or text anytime. Join us as this ride on July 27th leaves Fox River Harley-Davidson and goes on a non-stop ride though Kane County fully escorted and blocked by the Kane County Sheriff's Department and Kane County Emergency Management where we never put our feet down. We end at Schmidt's Towne Tap in Elburn, IL for a great party with music by Red Pop Fury. It's going to be a great day of fun. Be sure to see Events Officer Chris Newman's article for all the info on all events coming up, including some great swap meets.

We're coming up on Independence Day. July 4th is the day where we celebrate the independence of this great county. Independence is something that we as motorcyclists enjoy in DuPage and Kane Counties. The work that we do in our communities to preserve that independence is incredibly important. Just as important is letting other riders know about that work. Too often we hear motorcyclists say they don't know what ABATE is or what we do. Public education is one of our biggest jobs, and that includes educating riders about our existence and the work that we do for them. When you're out riding, talk to other riders about ABATE. Ask them if they are a member. If not, sign them up! After all, it's only \$25 a year to preserve their rights. Invite them to a Monthly Membership Meeting. Introduce them to other members and invite them to ride with you/us. Membership Officer Mark Garrison made a great point at the last Monthly Membership Meeting. We are power in numbers. With threats to our rights, like the helmet bill that came up this past session, we need everyone on board. If every member signed up just one person each month, that would double our membership. Imagine the work that we could accomplish with just that. Keep that in mind while enjoying those open roads in our area.

Make sure to join us on July 16th for our next DuKane ABATE Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. Come hungry as Melissa will be making her famous tacos! These meetings are incredibly important to attend as you will hear reports from all DuKane BOD Officers, and you will keep up to date on what is happening with motorcyclists' rights in DuPage and Kane Counties in 2024 as we work to preserve the legacy of motorcycling through resources, education, and political representation! I hope you all enjoy and safe and happy Independence Day on your motorcycles!

Until next month,
Ride Safe – Ride Free

HELLO ALL!

Campaign season is amongst us! Our friends will be asking us to help with parades and, as November approaches, campaigning. As we get requests, emails will be sent out to the group. Please help our friends any way you can! We look stronger as more participate. THEY HELP US, WE HELP THEM!

GOVERNOR'S HIGHLIGHTS:

State Fair Master Plan: The Illinois Department of Agriculture, in partnership with the [Community Foundation for the Land of Lincoln](#), released a [new master plan](#) for the Illinois State Fairgrounds in Springfield. The plan focuses on maintaining the core functions of the Fairgrounds while increasing its year-round events, attendance, and revenue generation.

Proposed improvements to the Fairgrounds include the creation of a "Town Square" south of the Midway to improve the aesthetics and navigability of the grounds, the development of an onsite hotel property, and expanded staffing to include dedicated sales and marketing functions.

West Nile Virus: Illinois is now reporting the presence of West Nile Virus in 13 counties, including Champaign, Cook, Douglas, Fulton, Kane, Hancock, LaSalle, Morgan, Washington, Whiteside, Williamson, Winnebago, and Woodford. The first mosquito batches this year were found in mid-May, about two weeks earlier than in a typical year. No human cases have been reported at this time.

Flood Damaged Property Buy Out: The Illinois Department of Natural Resources - through [IDNR's Flood Hazard Mitigation Program](#) - will provide nearly \$2.6 million to the City of East St. Louis to buy out 39 properties that have experienced repeated flooding and flood damage. The funds will also provide homeowners who resided in the flooded structures up to \$22,500 in additional funds to purchase a home.

103rd ILLINOIS GENERAL ASSEMBLY:

The Illinois General Assembly will reconvene for the Fall Veto Session on November 12-14 and November 19-21.

OTHER NEWS:

US Supreme Court Ruling on Bump Stocks: On Friday, the US Supreme Court struck down the federal ruling on "bump stocks" and other devices that increase the firing power of semiautomatic weapons. The Court, in its 6-3 ruling, noted that the ATF exceeded its authority in issuing a rule that classifies bump stocks as machine guns. Attorney General Kwame Raoul's office responded to the decision saying it does not impact Illinois' ban which was included in the assault weapons ban passed in 2023. That Illinois law is the subject of a challenge pending before the US Supreme Court. The Court is expected to decide if it will take up the challenge to the Illinois law in the coming days.

African Descent-Citizens Reparations Commission: The State of Illinois African Descent-Citizens Reparations Commission will hold the first of a series of public hearings to discuss reparatory actions for Black Americans in Illinois who are descendants of American Chattel Slavery. This initial hearing will take place in Chicago on Saturday, July 13th at Kennedy-King College and will feature speakers who will present the intergenerational impact of enslavement, racial terror, political disenfranchisement, and ongoing racial discrimination. The ADCRC is committed to gathering diverse perspectives from the public to shape recommendations for tangible actions toward justice and restitution.

Mayor Johnson Creates Reparations Task Force: Chicago Mayor Brandon Johnson issued [Executive Order 2024-1](#) which will establish a Task Force to support the strategy, implementation, and engagement of a Chicago Black Reparations Agenda. In partnership with the City of Chicago and Aldermanic Black Caucus, the Task Force will:

- Create a City of Chicago definition and framework for reparations.
- Develop educational tools to build capacity within the City of Chicago and the public for reparations.

Vice President/Legislative Rep.; Randy Ramey

- Identify core issue areas for redress and reparative action – for example, housing, economic development, health, education, community safety, mass incarceration and over-policing, and more.
- Conduct a comprehensive study and examination of all policies that have harmed Black Chicagoans from the slavery era to the present day.
- Hold public hearings and a broader community engagement strategy to gather testimonials and personal narratives from Black people with lived experiences of their harm.
- Make a series of recommendations that will serve as appropriate remedies and restitution for past injustices and present harm consistent with international standards.
- Recommend appropriate ways to educate the Chicago public on the report.
- Identify connections to existing City of Chicago reparative policies and programs.

Kirk Dillard Reappointed to Lead RTA: The Regional Transportation Authority Board of Directors voted to name current RTA Chairman Kirk Dillard to a third five-year term. Dillard has served as the chairman of the RTA Board of Directors since June 2014.

Emergency Supplemental Victims Fund: The City of Chicago will expand a pilot program that funds basic needs for victims of gun violence and their families. Under the expansion, the Emergency Supplemental Victims Fund will receive \$10 million over three years and expand from 5 to 15 communities. The program provides \$1,000 for basic needs such as medical expenses, child care, and groceries; \$1,000 for relocation services to move to a safer place; and \$1,500 for funeral and burial expenses.

Thank you,

Randy

It is with heavy heart...:

Death Notification

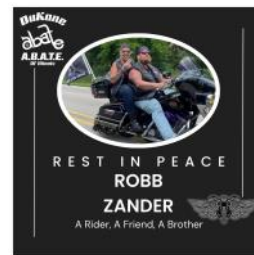

With great sorrow we advise you that we lost Thunder Robb Zander on the morning of Wednesday June 26th, to a heart attack. Even though Robb and Kathy are new DuKane members, they have been in our circle for a long time. We will keep you posted regarding any further information.

A Go Fund Me has been started to assist Kathy at this time.

You can reach it at <https://www.gofundme.com/f/support-kathy-in-memory-of-robb-zander>

Steve Graef of LawTigers Chicagoland remember Robb,

"I first met Robb and Kathy only few years ago. He reached out to me at LawTigers Chicagoland for possible help with sponsorship of their annual Ride For John, a fentanyl awareness campaign that was very personal to Kathy and Robb. I listened intently and offered our support. That first meeting opened my heart to their passion for helping communities realize the dangers of fentanyl, and quickly became a catalyst for more involvement from me than a simple charity sponsoring opportunity.

Robb was deeply committed to the cause but gracious to everyone who lent a hand. He was Kathy's soulmate in my opinion and the two were quite a team, honoring Johns passing in a way everyone could relate to, especially struggling families.

Every time I was with him I thought this man is something very special. I will miss him, of course, but my support for Kathy and their cause won't end with his passing. Thunder, you touched my heart and mind with your love, kindness and dedication to the Ride For John/My Child's Life Matters - and your efforts will not be lost. RIP brother. "

A WAY YOU CAN HELP.

This Saturday, July 6, at [Warehouse Church](#) in Aurora at 7:00pm is a concert to raise money for our fallen brother Thunder. Come out for some great music by Nick Olson and help our sister Kathy through this difficult time. We hope to see you all there.

CONCERT FOR THUNDER

Join **Nick Olson** for a solo acoustic performance of

as we **raise money** to help our sister, Kathy Zander, following the unexpected passing of her husband, Robb "Thunder" Zander, on Wednesday, June 26th. Robb and Kathy founded the non-profit organization "My Child's Life Matters" and "The Ride for John" following the fentanyl-induced homicide of Kathy's son, John.

May's finances are balanced with the bank statement and Square, no issues. The past month has been occupied with boring repetitive administration activities, however some of them are actually checked off the ToDo list! For example, the American Legion Hall rent was paid, Judy Kaenel was reimbursed for paying with her personal credit card for our WordPress web hosting (<https://dukaneabateil.org>) website for the past 9 years, transferred the payment method for GoDaddy domain (dukaneabateil.org) to my DuKane ABATE debit card, paid the license plate sticker for our DuKane Utility trailer (out in front of Sycamore Speedway), paid other board member travel and event expenses, made deposits for various membership dues and other donations, paid DuKane Abate-IL (Springfield) for membership dues, and... finally submitted the application for our new small business account with Old Glory Bank (<https://oldglorybank.com>). I still have to finish up pivot tables in Excel for Event profit/loss reporting and identifying value-add transactions. This will come in handy for planning next year's budget.

If you would be interested in volunteering as the DuKane Abate Treasurer, please let me know. Transition will be easy as I have either automated, documented, or proceduralized just about everything that needs to be done to repeat the monthly duties and account for our events. Having a back up person at minimum is good planning.

I've been riding – went to KY & TN – and enjoying this weather. Drive defensively and be an excellent representative for the principles of Abate.

If you have questions, comments, or improvement recommendations, just e-mail me at DuKaneTreasure2014@gmail.com. I'll do my best to respond quickly and thoughtfully.

DuKane ABATE, Working to Keep Us All Safer

Recently, DuKane ABATE visited 8 high schools and spoke to over 440 students about Motorcycle Safety and Awareness. Thank you to Steve Waltz and Mark Garrison for their continued hard work spreading the message to students!

Education and Safety; Steve Waltz

Hey everyone, welcome to August in June. With the heat and humidity that has already hit us we need to remember to stay hydrated as we ride. All that air moving around us sometimes lets us forget that heatstroke can be a real problem. Make sure you stop often to drink water and apply sunscreen.

We are wrapping up our schedule for summer schools and have spoken with about 2500 driver education students the first half of this year. Most of our schools are scheduled for the fall semester and we will be back at it by early September. Many thanks to Mark Garrison and Mike Bullis for their hard work in getting out to educate students on ABATE and the importance of sharing the road.

As I write this, we have had 54 motorcycle fatalities so far this year. Fifty-four to many. Also, it is up to every one of us to be responsible riders. We need to abide by the rules of the road every time we ride. There are many people out there that love to point at the few that give us all a bad name and put us in the same boat. Keep your eyes open and look out for other drivers because they sure as hell don't look out for you.

Maple Park Memorial Day Observance

Man this spring flashed by, where did it go? Time passes quickly when you have a lot going on! This was a busy month for your DuKane ABATE Chapter. On Memorial Day we attended the Maple Park Memorial Day Observance with our friends from the District 1-J Motorcycle Lions Club and the Maple Park American Legion Post 312. It was a moving ceremony with a 21 gun salute. DuKane member Dennis Lexa performed his rendition of the National Anthem. They served some burgers and dogs afterwards. A great start to a great day!

Wildfire Harley-Davidson's Bike Night at the Pit

Wednesday June 5th, we set up our DuKane booth at Wildfire Harley-Davidson's Bike Night at the Pit. What a great time that was! Sunset Strip was keeping the stage rocking. 3 food trucks were on site. Hundreds of riders of all sorts were attending. Met with lots of DuKane ABATE members, great old friends, and made good new friends as well. Our sisters from the Stilettos on Steel were on site bringing their own style of clean party fun. They also gave me a few fashion tips for a better looking ABATE booth! Congratulations to Mike Simko for recruiting his first new member. We also had a couple members renew their memberships. A great evening was had by all! Please come join in the fun. It is every other Wednesday, we could use some help promoting ABATE. Let me know if you are able to assist.

Thank you so much random patriotic people on horseback! We were at the very end of the parade because we jumped in after blocking an intersection. I witnessed a fine young lady on a beautiful steed proudly flying old glory on high, trotting alongside us for what seemed like a few blocks! It gave me the feels all up and down my spine! I wish I had a camera rolling, but I was operating my motorcycle. It was quite the experience enhancement! Consider volunteering or participating next year. If you wish to know how you can help, just ask me, I will show you the way.

The poster features a dramatic sunset background with silhouettes of people on motorcycles. The central text is large and stylized, with purple ribbons integrated into the letters. A yellow banner highlights 'THE 8TH ANNUAL'. The date 'SATURDAY JULY 20, 2024' is prominently displayed in large, bold, orange and yellow letters. Logos for 'MY CHILD'S LIFE MATTERS' and 'LAW TIGERS' are on the left, and a photo of a young man is on the right.
