

From the President: Chris Hansen

Hello DuKane ABATE!

What a month it has been. It sure has included things I thought I'd never see in my lifetime. An assassination attempt on a President, a Presidential candidate dropping out and disappearing, the USSS Director Resigning over everything... Been a strange one for sure. One thing, though, that wasn't strange was the beautiful riding weather. I hope you got out and enjoyed the open roads with it!

Like we talked about at our Monthly Membership Meeting, we must be vigilant in getting into our communities and talking about Motorcycle Safety and Awareness. Safety & Ed Officer Steve Waltz, Membership Officer Mark Garrison, and Mike Bullis do a phenomenal job of getting out in front of students each month and teaching them about motorcycle safety. These 3 continue to lead the state on visits with students and our chapter is beyond thankful and proud of that. Getting in front of inexperienced and young drivers and training them on motorcycle safety is key for them watching for us on the roads. Talking to riders while we're out on the road about DuKane ABATE and letting them know the work we do is crucial. If every member signs up just 1 new member, think about the manpower we would have to preserve the rights and freedoms of motorcyclists in DuPage and Kane \Counties! While the fatality numbers are down from last year, the number is still too high. 1 life lost is 1 too many.

On Sunday July 21st the ABATE of Illinois FEDPAC Grading Session was held via Teams. FEDPAC Trustees discussed Federal Candidates and graded them and handed out endorsements based on motorcycle issues ONLY. No other topics are taken into consideration when handing out these grades and endorsements. I was one of the FEDPAC Trustees in attendance at this meeting. I want to congratulate Niki Conforti for receiving an endorsement from the ABATE of Illinois FEDPAC in her race for the Congressional 6th District. She is taking on incumbent Sean Casten in that race. Sean was given an F- grade for his lack of work for motorcyclists. Through numerous conversations with Niki, she will work hard for motorcyclists in Washington D.C. and make sure that our voices are heard when it comes to things like Electric Vehicles, Right to Repair, Motorcyclist Profiling, Combustion Motors, etc. The other endorsements handed out went to Robin Kelly (2nd District), Mike Quigley (5th District), Raja Krishnamoorthi (8th District), Janice Schakowsky (9th District), Mike Bost (12th District), Nikki Budzinski (13th District), Darin LaHood (16th District), and Judge Joseph McGraw (17th District). Vote like a motorcyclist and vote for Niki Conforti on November 5th!

It was also a month loaded with events. The DuKane ABATE Bikini Bike Wash was a great success and the DuKane ABATE Santa Girls were busy all day washing motorcycles. Big thanks to them and to Knuckleheads Tavern for once again being gracious hosts. Also, thanks to Steve Graef and Law Tigers for supporting the event. We rode in the 8th Annual Ride for John bringing awareness to fentanyl and opiate poisoning. It was a tough one without Thunder, but I know he was there with us and watching from Heaven. We rode in the 9th Annual #Sethstastic Motorcycle Run bringing awareness to suicide in teens and young adults. It was a great ride without having to put our feet down once thanks to the Kane County Sheriff's Department and Kane County Emergency Management. And, then we rode in the 2nd Annual Elburn American Legion Toys for Tots Run helping to collect toys for children in need. All were great events and we enjoyed participating in them. Be sure to spread the word about the 38th Annual DuKane ABATE Toy and Food Run happening October 13th. 7th Heaven will be rocking the Sycamore Speedway Stage!

At our Monthly Membership Meeting last night, ABATE of Illinois MRF Representative Dennis "Cleaver" Yeager announced that he has nominated your DuKane ABATE PR Officer Nathan Klapatch for the Motorcycle Riders Foundation Young Activist Scholarship. This is very deserving as Nathan has been very active in preserving the rights and freedoms of motorcyclists in DuPage and Kane Counties. Congrats and good luck Nathan!

Thank you to Hannah Billingsley, candidate for State Representative in District 49, for coming to our Monthly Membership Meeting on July 16th to speak to us about where she stands on motorcyclists rights and freedoms.

Make sure to join us on August 20th for our next DuKane ABATE Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. Come hungry as Melissa will be making her famous tacos! These meetings are incredibly important to attend as you will hear reports from all DuKane BOD Officers, and you will keep up to date on what is happening with motorcyclists' rights in DuPage and Kane Counties in 2024 as we work to preserve the legacy of motorcycling through resources, education, and political representation!

Until next month,
Ride Safe – Ride Free

Hello All,

Things have cooled down in Springfield but the campaigns will be just heating up. Remember to reach out to our friends and see if they need any help. You can volunteer for many things in a campaign that doesn't include knocking on doors. We ask them to help us so it is only appropriate that we reach out and help them.

Let me know if you have any questions.

103rd ILLINOIS GENERAL ASSEMBLY:

The Illinois General Assembly remains adjourned for the summer.

The House Health Care Availability and Accessibility Committee held a subject matter hearing on July 23 at in the Bilandic Building in Chicago to continue discussions on pharmacy benefit managers.

The Senate Transportation will hold a hearing on July 24 at 10:00 am at Moraine Valley Community College (Building M) in Palos Heights to continue discussions about mass transit. This hearing will focus on how transit must be accessible and equitable.

GOVERNOR'S HIGHLIGHTS:

New Laws: Governor Pritzker signed the carbon capture bill ([SB 1289](#)) this week. The new law establishes regulations for carbon capture, including requiring new carbon sequestration facilities to obtain a state permit with requirements for monitoring during and after carbon sequestration, as well as rules around financial assurances, insurance, emergency management, and closure plans. The law places a moratorium on new pipelines until the Pipelines and Hazardous Materials Safety Administration finalizes safety regulations or until July 1, 2026.

The act also requires CO2 projects to achieve a net reduction in greenhouse gases and conduct water, air, and soil monitoring to ensure no leaks occur, and take immediate corrective action if they do. The Illinois Commerce Commission will require all new projects to undergo an assessment process and require plans to monitor carbon capture and transport sites and respond immediately if any issues arise. The law also creates safety standards for any new pipelines and mandates training and support for first responders in pipeline areas.

Illinois EPA Director Resigns: John Kim resigned as the Illinois Environmental Protection Agency Director. Kim, who has served at the agency since 1994 and has been Director since 2019, will be replaced on an interim basis by Deputy Director James Jennings. Jennings took over as interim director on Tuesday, July 16. Jennings has worked in various capacities within the IEPA since 2013.

Quantum Research: Governor Pritzker announced a partnership with the U.S. Department of Defense's research and development agency to further expand quantum research in Illinois. The Defense Advanced Research Projects Agency, or DARPA, will take residency on the state's quantum campus to establish a program where quantum computing prototypes will be tested. The location of the campus will be announced soon.

The Memorandum of Agreement signed with DARPA will establish Illinois' quantum campus as the site for a new Quantum Proving Ground program, where quantum computing prototypes will be tested and evaluated as part of DARPA's new Quantum Benchmarking Initiative. The FY25 budget allocated \$500 million in state investment to help fund quantum research and build a campus. Illinois will commit \$140 million in matching funds for the Quantum Proving Ground. DARPA's level of investment in the Quantum Benchmarking Initiative will be determined by the quality of proposals, evaluation results, and availability of federal funding.

The facility will include shared cryo facilities, equipment labs, and spaces for both private companies and Illinois' research universities to collaborate and research. Companies with competing technologies across the industry will be able to participate in the DARPA-Illinois Quantum Proving Ground, and those competing for funding will be selected based on performance and results.

First Human Case of West Nile Virus Reported: The Illinois Department of Public Health is reporting this year's first human case of West Nile virus. The individual is in their 60's and lives in suburban Cook County. The onset of WNV symptoms was in mid-June.

Gubernatorial Appointments: The Governor made the following appointments:

- Garvin Ambrose will serve as a Member of the Guardianship and Advocacy Commission.
- Benjamin Reyes will continue to serve as a Member of the Illinois Racing Board.
- Sarah Alter will continue to serve as a Member of the Lottery Control Board.
- Michael Goetz will continue to serve as a Member of the Teachers' Retirement System Board of Trustees.

Prevailing Wage Rates Published: As required by law, the Illinois Department of Labor published updated prevailing wage rates (sorted by construction trade) for each county in Illinois. Any who disagrees with the published rates has until August 14th to object in writing to the Department. Any objection filed will then be granted a hearing before an Administrative Law Judge.

Vice President/Legislative Rep.; Randy Ramey

OTHER NEWS:

Giannoulas Appointed Co-Chair of National Association of Secretaries of State's Securities Committee: Illinois Secretary of State Alexi Giannoulas has been appointed to serve as co-chair of the National Association of Secretaries of State's (NASS) Securities Committee. The Illinois Secretary of State's Securities Department regulates the securities and investment advisory industries in Illinois and pursues an enforcement program designed to protect Illinois investors from those engaged in unlawful investment-related activities. Giannoulas will serve alongside New Hampshire Secretary of State David Scanlan. The pair will serve until the conclusion of the NASS 2025 Summer Conference.

Pension Pre-Payment: This week Comptroller Susana Mendoza made the first \$422 million pension pre-payment which was authorized under the budget implementation law passed as part of the FY 25 budget. Previously, the law prohibited the IOC from making more than the preset monthly payment to the pension systems. The change allows Comptroller Mendoza to pay more into state pensions earlier in the year when fund balances are strong. It's anticipated that pre-paying \$422 million of the state's monthly pension contribution will allow funds to remain invested for a few months longer, generating an additional \$7 million.

Attorney General Joins Coalition in Support of Drug Pricing Transparency: Attorney General Kwame Raoul joined 21 attorneys general in filing an amicus brief supporting an Oregon law that requires pharmaceutical manufacturers to report certain information about specific new prescription drugs and historical information about pricing for existing drugs.

Raoul and the coalition [filed the brief](#) before the Ninth Circuit Court of Appeals supporting Oregon's 2018 law, which aims to increase transparency in drug pricing. Raoul and the coalition's brief emphasizes the importance of laws that collect data to provide a greater understanding of drug spending and help guide policy solutions to address high drug costs.

The Pharmaceutical Research and Manufacturers Association (PhRMA) filed a lawsuit in federal district court in Oregon, challenging the constitutionality of the Oregon law. The district court ruled, in part, in favor of PhRMA, and Oregon appealed to the Ninth Circuit.

Raoul and the attorneys general argue in the amicus brief that state laws like Oregon's serve important state interests, as recent dramatic increases in drug pricing impose harm on states and their residents.

Thank you,

Randy

NE Region Coordinator: Rich Gruner

GUEST SPEAKERS (if any)

Hannah Billingsley - Candidate for Illinois State Representative in District 49

Dennis "Cleaver" Yeager - ABATE of Illinois MRF Representative

President - Chris Hansen

Chris spoke about continuing to be vigilant in our communities when it comes to getting out and spreading the word about motorcycle safety and awareness. He talked about how there have been too many motorcyclist fatalities this year and that we need to make sure that we are educating everyone, including riders, about safety. He acknowledged Steve Waltz, Mark Garrison, and Mike Bullis for the incredible work they do getting into classrooms and speaking to students, leading the way in Illinois. Chris also announced that the BOD approved making a donation to Kathy Zander from the Downed Riders Fund in memory of Thunder.

Vice President/Legislative - Randy Ramey

Randy spoke about how legislators are not in session, so it's a good time to get involved and help our friends on the campaign trail. We will be getting requests to walk in parades and help walking door to door for candidates and that we need to be involved because we help those that help us. He also introduced Hannah Billingsley, Candidate for Illinois State Representative in District 49, and she spoke to membership about her campaign and where she stands on the rights and freedoms of motorcyclists.

Secretary: Amy Nelson

Membership – Mark Garrison

We are still floating around 300 members in the chapter. Mark thanked Kathy Zander for the challenge coin he received from her for fentanyl poisoning awareness and spoke about his daughter and what that meant to him.

BOD State Representative – Kley Abel

No Report until after next month's BOD Meeting.

Events – Chris Newman

Chris covered how the Bikini Bike Wash was a great success and covered upcoming events like the 8th Annual Ride for John, 9th Annual #Sethstastic Motorcycle Run, 2nd Annual Elburn American Legion Toys for Tots Run, and the 38th Annual DuKane ABATE Toy and Food Run. Chris also reiterated that he needs volunteer help working all of the Bike Nights we have in the area. Chris introduced ABATE of Illinois MRF Representative Dennis "Cleaver" Yeager and Cleaver announced that he has nominated Nathan Klapatch for the MRF Young Activist Scholarship. Cleaver will keep everyone updated on whether or not Nathan wins.

PR/Webmaster - Nathan Klapatch

Nathan announced that he is working on updating the website and that he'll keep everyone posted on the progress. He also talked about how he went on a ride with new friends and that while they were out he started feeling ill and how they went out of their way to help him. He appreciates them and all of the friends he's made through ABATE.

Safety & Education – Steve Waltz

Steve, Mark, and Mike continue to see students in classrooms and their schedule is full. He stated that while motorcyclist fatalities are down from last year, there are still too many and that it's beyond important to spread the word of motorcycle safety and awareness.

The past month has June's finances are balanced with the bank statement and Square, no issues.

Not much eventful activity for the Treasurer this month. The Old Glory Bank account is in the process of getting configured. As soon as it is, I'll start using it to make payments moving over our Payees into the Bill Pay function. Then, we need to get a paper checkbook and Debit cards for our five travelling or money-managing board members. Next, I need to move over Square deposits, and move over misc. payments, e.g. Microsoft Office 365, etc. It's tedious, but should be easy. Even though this is an all on-line banking experience, the responsiveness of actual humans who are assigned to the account (same person) has been excellent. So far, so good.

I have not delved into pivot tables in Excel for Event profit/loss reporting and identifying value-add transactions. I'll get to it. It's necessary mostly for planning next year's budget.

If you would be interested in volunteering as the DuKane Abate Treasurer, please let me know.

I'll be at the EAA AirVenture air show July 15th through the end of the month. It's an annual thing for me and the family – 45+ years now. I'll miss you all at the July Membership Meeting.

If you have questions, comments, or improvement recommendations, just e-mail me at DuKaneTreasure2014@gmail.com. I'll do my best to respond quickly and thoughtfully.

Education and Safety; Steve Waltz

July is closing in on the end but we still have several months of good riding weather ahead. Our classroom presentations have come to an end for summer school but we have plenty of classes scheduled starting in September. To date we have spoken to 2,268 driver education students for the year. Our plan is to expand the number of schools we visit starting with the upcoming school year. If anyone has a contact in a high school that does not have ABATE presentations, please reach out to me so we can do our best to add them to our visits.

As today, July 18, we have had 73 motorcycle fatalities. Last year at the same point we had 66. We are heading in the wrong direction. Please pay attention and drive responsibly we don't need to add more numbers to this statistic. Enjoy the great weather ahead and keep your eyes open.
