

From the President: Chris Hansen

Hello DuKane ABATE!

I hope that you all got some great wind therapy in April and am excited that May is here! DuKane ABATE is proud to recognize May as Motorcycle Awareness Month in both DuPage and Kane Counties. As the riding season kicks into full gear, we're reminding all motorists to "Start Seeing Motorcycles" and stay alert on the road. With more bikes out and about, it's crucial for drivers to check their mirrors and blind spots, give riders plenty of space, and always drive with caution. DuKane ABATE is committed to promoting motorcycle safety and awareness throughout our communities, and we encourage everyone to join us in spreading the message. Together, we can help ensure a safe and enjoyable riding season for all. We have received numerous confirmations for Cities, Towns, and Villages proclaiming May 2025 as Motorcycle Awareness Month, so stay tuned for those announcements.

DuKane ABATE is excited to host Motorcycle Awareness Day on Saturday, May 10 from 11am-1pm, at two key locations: the intersection of Route 47 & Route 38 in Elburn and at DuPage Honda Yamaha in West Chicago. Join us as we hold signs, wave to drivers, and help spread the message to "Start Seeing Motorcycles" throughout DuPage and Kane Counties. This annual event is a powerful way to engage the community and remind motorists to stay alert as the riding season ramps up. Come out, show your support, and stand with fellow riders as we promote motorcycle safety and awareness in our area! See Events Officer Chris Newman's article for more details.

DuKane ABATE is proud to support the Warriors Need Homes Too Ride on May 17, benefiting the Midwest Shelter for Homeless Veterans. Hosted by the Templar Order Motorcycle Club, this meaningful ride kicks off at Knuckleheads Tavern in Elburn and wraps up at the Elburn American Legion, bringing riders together to raise awareness and support for veterans in need. We encourage all members and supporters to join this great cause—every mile ridden helps provide housing and hope for those who've served our country. Let's come together as a community and show our veterans the respect and support they deserve. It's \$20 a person and registration starts at 10:30am and Kickstands are up at 11:30.

DuKane ABATE commends State Senator Seth Lewis and State Representative Jennifer Sanalidro for their dedicated efforts to enhance motorcycle rider safety through Senate Bill 2075 and House Bill 2980. These bills aim to protect the Cycle Rider Safety Training Program in Illinois. By protecting these training courses, the legislation seeks to make motorcycle safety education more accessible to all Illinois residents aged 16 and older. DuKane ABATE supports these initiatives, recognizing their potential to improve rider safety and reduce accidents on our roads.

DuKane ABATE is dedicated to creating a safer, more connected community for motorcyclists in DuPage and Kane counties. We invite all riders to become more involved, support our efforts, and help us make a difference. Be sure to join us on May 20th for our next DuKane ABATE Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. Come hungry as Melissa will be making her famous tacos! These meetings are incredibly important to attend as you will hear reports from DuKane BOD Officers, and you will keep up to date on what is happening with motorcyclists' rights in DuPage and Kane Counties in 2025 as we work to preserve the legacy of motorcycling through resources, education, and political representation! 123 Main Street in West Chicago is the address.

Until next month,
Ride Safe – Ride Free

Hello All,

There is one month left in the legislature. Things are going to start moving quickly so we will be paying attention to bill movement. The call may go out to reach out to your legislators so be ready!

SB 2075 Motorcycle Safety, passed unanimously

HB 2980 Motorcycle Safety, passed unanimously

Helmet law HB 3783, stuck in rules...dead!

Autonomous vehicle bill HB 1839, will not be called!

104th ILLINOIS GENERAL ASSEMBLY:

The Illinois House was in session Tuesday through Thursday of last week. The Senate was off last week. Both chambers return to session on Tuesday, April 29, at noon.

Note, the Senate extended the committee and/or 3rd Reading Deadline for 214 Senate Bills. Meanwhile, the House extended the deadline on a limited number of bills.

Last week, the House reviewed legislation in committees, passing 74 bills onto the full House for consideration. The deadline to pass bills out of committee in the opposite chamber is Friday, May 9. Committees also held subject matter hearings on the budget and a variety of other issues.

SB 1519 (Villa/Ford) which stops the practice of police ticketing students for breaking school rules passed the Education Policy Committee 9-3 and now heads to the full House.

SB 19 (Harmon/Guzzardi) which makes numerous changes to update and modernize the Prisoner Review Board and its processes passed the House Executive Committee 8-3 and now heads to the full House.

SB 67 (Peters) which makes changes to the Nurse Agency Licensure Act to expand the scope of accountability, hold violators accountable, and establish penalties proportional to the specific violation passed the House Labor Committee 17-7 and now heads to the full House.

SB 291 (Morrison/Mussman) which creates the One Health Task Force to develop a framework to promote the health and well-being of the State's residents, animals, and environment passed the House Public Health Committee unanimously and now heads to the full House.

Both chambers will reconvene next week to continue reviewing opposite chamber legislation at the committee level. A list of Senate committee hearings is [here](#); House committee hearings are [here](#).

2025 Spring Session Key Dates and Deadlines:

May 9: Deadline – Committee Deadline Bills in Opposite Chamber

May 23: Deadline – Third Reading Deadline Bills in Opposite Chamber

May 31: Adjournment

GOVERNOR'S HIGHLIGHTS:

Health Insurance Marketplace: A coalition of five state governors—JB Pritzker (IL), Jared Polis (CO), Wes Moore (MD), Michelle Lujan Grisham (NM), and Tina Kotek (OR)—have formally challenged CMS Director Peter Nelson regarding the Marketplace Integrity and Affordability Proposed Rule. Their joint letter argues that the rule would inappropriately restrict states' regulatory authority over health insurance marketplaces, creating consumer confusion, limiting enrollment options for vulnerable populations, and destabilizing local healthcare systems.

The governors specifically cite three major concerns: restrictions on enrollment management would create market instability, elimination of special enrollment options would increase uninsured rates among low-income families, and changes to premium adjustment calculations would increase costs while burdening healthcare systems with unpaid medical expenses. They have urged the complete withdrawal of the problematic provisions to preserve state flexibility in healthcare governance.

Vice President/Legislative Rep.; Randy Ramey

HIV Prevention Available Directly from Pharmacists: Illinois has authorized pharmacists to provide PrEP, an HIV prevention medication, directly to residents without requiring a doctor's prescription. This standing order from the Illinois Department of Public Health makes the medication more accessible to at-risk individuals while also simplifying the reimbursement process for pharmacists who provide these services

Community Water System Notification: The Illinois EPA identified PFAS contamination exceeding new groundwater quality standards in 21 Community Water Systems, affecting an additional 26 connected systems. State Right-to-Know regulations mandate that these systems notify all consumers about contamination that exceeds Class I standards, following specific notification protocols and timelines.

ISAC Letter to Department of Education: The Illinois Student Assistance Commission has written to Education Secretary Linda McMahon expressing serious concerns about the Trump Administration's restructuring of the Department of Education. The letter highlights potential delays in student financial aid delivery due to staff cuts, with reports of unanswered communications and system outages already occurring. ISAC also warns against transferring the \$1.6 trillion student loan portfolio to the Small Business Administration, which lacks expertise in loan administration and faces significant staff reductions. Additional concerns were raised about the security and privacy of student and borrower data during these transitions.

Standard Operating Guideline for Fire Departments: Several Illinois agencies, including IL OSHA, OSFM, IFSI, IFCA, and MABAS-Illinois, have jointly created a sample standard operating guideline for structure fires that addresses incident command, accountability, and mayday procedures. The sample SOG is available at osha.illinois.gov/fire.

Pre-Apprenticeship Program: The Illinois Department of Commerce and Economic Opportunity awarded more than \$19 million in funding to 38 program recipients across the state. This investment will expand the [Illinois Works Pre-Apprenticeship Program](#), which serves 1,900 community members statewide while creating a qualified talent pipeline of diverse candidates for the construction and building trades.

First Measles Case Reported in Illinois: The Illinois Department of Public Health has confirmed the first measles case of 2025 in Illinois. Laboratory testing on April 23 verified the case, which involves an adult in far southern Illinois. At this time, this remains the only known case. Currently, the risk of community transmission among the general Illinois population remains low.

Governor Appoints Secretary of DoIT: Governor JB Pritzker appointed Brandon Ragle to lead the Illinois Department of Innovation and Technology. With over 20 years of experience in IT strategy and management, Ragle stepped into his new role on April 11, having previously served as interim Secretary following Sanjay Gupta's departure. Before taking on interim leadership responsibilities, Ragle held the positions of Deputy Secretary and Deputy Chief Information Officer from 2023-2025.

Governor Appoints Director of OEMA-OHS: Governor JB Pritzker appointed emergency management veteran Ted Berger to head IEMA-OHS, subject to Senate confirmation. Berger brings extensive experience to the role, having previously served as Executive Director of Cook County's Department of Emergency Management and Regional Security.

Gubernatorial Appointments: Governor Pritzker also appointed the following:

- Subhash Sharma will serve as a Member of the Illinois Board of Higher Education.
- Daniel Hayes will continue to serve as a Member of the Illinois Housing Development Authority.
- Sarah Barnett Bruckmann will serve as a Member of the Lottery Control Board.

Vice President/Legislative Rep.; Randy Ramey

OTHER NEWS:

2026 Election: Illinois' U.S. senior Senator Dick Durbin announced he will not pursue a sixth term in 2026. At 80 years old, Durbin would reach 88 by the end of another term. Lieutenant Governor Juliana Stratton quickly announced she will seek the Democratic nomination to replace Durbin. Others preparing potential candidacies are U.S. Representatives Lauren Underwood, Raja Krishnamoorthi, and Robin Kelly as well as State Treasurer Michael Frerichs. On the Republican side, Congressman Darrin LaHood and former State Representative Tom Demmer are considering running to replace Durbin.

While not official, US Representative Jan Schakowsky is expected to announce her retirement on May 5. Two Republicans have announced their intentions to seek the Republican nomination for Governor. Joseph Severino, who previously ran for Congress in the 10th District in 2022 as a Republican and in 2024 as an Independent. Severino, who made his announcement on a talk show, has yet to file paperwork with the State Board of Elections. Also running as a Republican is DuPage County Sheriff James Mendrick. Two-term Democratic Governor JB Pritzker has not announced if he plans to seek reelection in 2026.

Nick Uniejewski announced he will challenge Senator Sara Feigenholtz for the Democratic nomination in the 6th District. Uniejewski works as a policy analyst for the City of Chicago's Department of Family and Support Services. He previously worked as an organizer for NARAL Pro-Choice America (now Reproductive Freedom for All) and Indivisible. He also served as Outreach Manager for former Representative Marie Newman's 2020 campaign and managed her 2022 campaign.

Healthcare Mergers: Attorney General Kwame Raoul and Minnesota Attorney General Keith Ellison have joined the FTC's [lawsuit](#) to block GTCR BC Holdings LLC from acquiring Surmodics Inc. The lawsuit alleges the merger would be anticompetitive, combining the two largest manufacturers of medical device coatings and giving them over 50% market control. Officials argue the acquisition would eliminate competition that has spurred lower prices and innovation, ultimately harming both manufacturers and patients. Filed in the Northern District of Illinois, the lawsuit seeks to prevent the acquisition until a full administrative hearing can be conducted.

AG Joins Lawsuit Against Trump Administration Tariffs: Attorney General Kwame Raoul has joined a coalition of 12 attorneys general in filing a lawsuit against the Trump administration's tariff increases. The legal challenge targets executive orders imposing significant tariffs worldwide: 145% on most Chinese products, 25% on Canadian and Mexican goods, and 10% on products from other countries, with additional increases planned for July 9.

Filed in the U.S. Court of International Trade, the lawsuit argues these tariffs are unconstitutional because only Congress has taxation authority. While the administration cites the International Emergency Economic Powers Act, Raoul and the coalition contend this law requires an "unusual and extraordinary threat" that doesn't exist in this case, making this unprecedented use of the IEEPA illegal. Attorneys general from Arizona, Colorado, Connecticut, Delaware, Maine, Minnesota, Nevada, New Mexico, New York, Oregon and Vermont have joined the lawsuit.

Google Lawsuit: Attorney General Kwame Raoul and a bipartisan coalition of 17 attorneys general secured a legal victory against Google when a U.S. District Court ruled the company maintained illegal monopolies in digital advertising technology. The 2023 lawsuit alleged Google's market dominance allowed it to control online ad sales, extracting higher fees from advertisers while paying publishers less, ultimately harming consumers. Judge Leonie Brinkema found Google violated antitrust laws by monopolizing publisher ad server and ad exchange markets, unlawfully tying services together, and implementing anticompetitive policies that increased prices. A second trial phase will determine remedies for Google's conduct.

Study Indicates Support for Increased Funding for Higher Education: The nonpartisan research group Public Agenda released a new [study](#) indicating strong bipartisan support among Illinois residents for increased public college funding, with many non-degreed respondents expressing interest in pursuing higher education. According to the study, approximately half of Illinois residents lack college credentials, with many citing financial barriers or choosing to work immediately after high school instead. Nearly 75% of non-degree holders reported negative life impacts, particularly limited career advancement. Black and Latino residents were more likely than white residents to perceive college as financially unattainable.

Vice President/Legislative Rep.; Randy Ramey

Illinois Treasurer Announces New Student Loan Option: Illinois Treasurer Michael Frerichs launched a new program offering college loan options for state residents. The initiative includes the Funding U Illinois No-Cosigner Loan, which serves students who have exhausted other financial aid options and lack access to co-signers, with fixed rates between 7.99% and 9.49%. The program also features Partnership and College Family loans through ISL Education Lending, with competitive rates ranging from 3.45% to 6.77%. The Treasurer believes these options can make higher education more accessible for Illinois students attending in-state institutions. Read more [here](#).

Illinois Supreme Court Rules on Challenge to Venue Law: The Illinois Supreme Court ruled 6-1 that a 2023 law limiting constitutional challenges to courts in Sangamon and Cook counties does not violate due process rights. The law was enacted following challenges to various state policies, including COVID-19 measures and weapons bans. The court found that while litigating in Sangamon County might be less convenient for the plaintiff than their preferred Madison County, this inconvenience does not constitute a constitutional violation. The ruling applies only to the specific plaintiff in this case.

Thank you and be safe out there!
Randy

Treasurer: Mark Del Monaco

March finances are 100% balanced with Old Second and Old Glory bank statements and Square. I have completed the operational transition to Old Glory Bank from Old Second Bank and will close the Old Second Bank account as soon as I verify an auto-debit is successfully moved to Old Glory.

I am in the process of enhancing our Treasury spreadsheet to include “accounts”. It’s really just another descriptor to associate with an expense or deposit transaction. For example, we have 11 budget areas related to our activities – what we do annually. I created 49 accounts (so far) that can cross budget areas. For example, Catering, Print, Signs, Tips, etc. and they can apply to almost all budget areas. What will this do for us? Well, with a little bit of due diligence effort on the Treasurer’s side, we’ll have a much better idea of where our money is being spent on a year-over-year basis. This can help us save money by knowing what our expenses were for a particular account in a year, e.g. Print per Budget area, and help us decide if we can competitively bid or at least understand if we spent too much or too little for a particular budget area. It’s an easy categorization task for an insightful benefit result and Excel does all the hard work automatically.

I’m still soliciting for a replacement treasurer for 2027 or earlier. If you’re interested and would like additional information, please let me know. It takes about 4 hours per month to do everything needed. I will teach you all you need to know.

If you have questions, comments, or improvement recommendations, just e-mail me at DuKaneTreasure2014@gmail.com. I’ll do my best to respond quickly and thoughtfully. Getchur Motors Running!

Hey, everyone,

Our spring schedule is moving along. There were a couple of notable events that happened this month, the first one being Heartland STEAM. This was a multi-state conference, with motorcycle rights groups gathering together from across the Midwest! Since it was in the Quad Cities-only a couple of hours from this area-I decided to attend the event.

It was quite similar to our State Seminar. It had a several speaker sessions, including one from ABATE of IL President Ryan Hubbard discussing good leadership. There were also updates from numerous Midwestern states on news in the motorcycle world, as well as several seminars to choose from, a hospitality room, a neat banquet, auctions with some cool items.

However, there were some reasons that it stood out. Being a multi-state conference, it attracted people across state lines whom we wouldn't usually see, allowing me to greet people living across a larger area than usual for biker events. However, what really spiced things up was that I was able to ride a motorcycle there with a friend! It was colder than we would have liked, but we both enjoyed each other's company and saw some nice sights on our travels. It goes to show how many things are better with friends!

In more local news, DuKane ABATE was at the Wild Fire Harley Davidson Grill n' Chill on April 12th. This event gave us a chance to reach out to bikers about what we do and why they should join us, at our chapter president's workplace no less.

And we'll have more chances to reach out to the community in May! Once again, Warehouse Church is hosting its Biker Sunday on May 4th, a biker-centric church service which will likely be followed by an afternoon ride! They'll have lunch available to buy, and we'll have a table to let people know about us. The next week, on May 10th, we'll be having our annual Motorcycle Awareness Day, gathering at intersections to remind people to keep their heads up and their phones down while driving. We have several politicians come to these Awareness Days, so there's a good chance you might run into one or two of you local representatives at this event. I hope you all find a chance to attend these events and enjoy some time on two (or three) wheels!

Hey riding season is finally here, if you haven't been out yet you need to get moving. Make sure you check your bike over before you head out. In case you have forgotten follow T-Clock.

Tires – Check the tread and the tire pressure.

Controls – Check pedals, levers, cables and hoses.

Lights – Make sure all lights are working including brake and turn signals.

Oil and fluids – Top them all off and change if necessary.

Chassis – Look over the frame, forks and handlebars.

Kickstand – Look for damage and make sure the kickstand bolt is secure with red lock tight.

In the month of March we visited with 707 students for a total so far of 1,904 students in 2025. On April 22nd we will once again be at Downers Grove South for their Wellness Day. We expect to be meeting with around 750 students in the one day period. Remember that May 10th is Motorcycle Awareness Day please come out to help at either the Elburn location Routes 38 and 47 or County Farm Road and Route 64 in West Chicago.

Make sure when you do ride to be aware of everything going on around you. So far we have had 4 motorcycle fatalities. Don't add yourself to the list. Stay safe.

ABATE OF ILLINOIS FREEDOM RALLY

Riding season is in full swing already! I expect that most of you all have been able to consume several tanks of fuel already. There is a lot going on in May. Kick it off with one of the state's greatest events, The **ABATE of Illinois Freedom Rally**. Meet on Sunday May 4th in the south IDOT parking lot (2300 S. Dirksen Pkwy Springfield, IL) at 8:00 to 12:00. Food, drinks, and ABATE of Illinois Products will be on site (no booze). Our friends from the Christian Motorcyclists Association will be onsite offering bike blessings. It is kick stands up at 1:00 for a State Police escorted ride to the Illinois State Capitol. Thank you to Lincoln Land Chapter of ABATE for sponsoring this gathering.

Why not make it a weekend of good clean motorcycle rider fun? The **FREEDOM FEST** will be held at the The Kampground in Mechanicsburg, Illinois. The party starts on Friday May 2nd and goes on until the morning of May 4th. You can bring a tent and camp for free all weekend. RV spots are \$25. Freedom Fest ends Sunday morning with a ride to the IDOT Building in Springfield for the **FREEDOM RALLY**.

BIKER SUNDAY

Come to Biker Sunday on May 4th! Our friend Randy Schoof and the Christian Motorcyclists Association are hosting Biker Sunday at The Warehouse Church in Aurora. The event starts at 9:00 AM. There will be coffee and doughnuts served in the morning. A Taco Truck will be on site to take care of our lunchtime needs. Motorcycle Blessings will be held until 1:00. This is a fantastic and free event as always. DuKane ABATE has supported Biker Sunday for over 20 years. Come by the DuKane ABATE membership booth to join or renew your membership. Stay for the ride afterwards.

MOTORCYCLE AWARENESS DAY

Come join DuKane ABATE for Motorcycle Awareness Day! Help us spread the message to Watch Out For Motorcycles on Saturday May 10th from 11:00AM to 1:00PM. We will be positioned at intersections in DuPage and Kane County.

The Kane County location is at the BP Fuel Depot at RT 47 and RT 38 in Elburn. Elburn PD and Kane County Sheriff will be assisting us at this location.

The DuPage County meeting location is DuPage Honda Yamaha parking lot at the corner of RT64 and County Line Road in West Chicago. Carol Stream PD and DuPage County Sheriff will be helping out here.

Distracted drivers are a threat to all, so please join us for a couple hours and help us to make them aware. This awareness-raising activity is an excellent way for ALL DuKane ABATE members to get to know one another! Join us for free lunch compliments of Knuckleheads in Elburn after the event!

This is a free event. Supportive non-members are welcome as well. See you all there!

WILD FIRE HARLEY-DAVIDSON BIKE NIGHT

Join your friends from Wild Fire Harley-Davidson and DuKane ABATE for the first Wild Fire Harley-Davidson Bike Night of the season. It will be on Wednesday May 21st, 6:00 to 9:00. The theme is "Shift Into The '80's". What better band could there be than Sunset Strip for this event? There will be Midget Bowling. Yes, you read that right, Midget Bowling. I am no Midget Bowling expert, but I am told it is exactly as it sounds. Do you still fit in any of your 1980 clothes? I do not, but do put on some threads from the best decade ever. Come hungry, a couple food trucks and Jesse's Gelato will be providing nourishment. Our ABATE Membership Booth will be set up there. Stop by, say hello, and hang out a while. I could use some help talking to the riders about all the great things that ABATE does for motorcyclists.
