Hello DuKane ABATE!

As September ends and October arrives, it brings with it some of the most exhilarating riding weather of the year, with crisp air and vibrant fall foliage making every journey a scenic delight for motorcyclists. This beautiful month also heralds a cherished tradition: the 39th Annual DuKane ABATE Toy and Food Run! Get ready to polish your chrome and join fellow riders for this incredibly impactful event, where the joy of the open road combines with the spirit of giving to provide toys and food for children in need during the upcoming Christmas season. This long-standing event is a cornerstone of our community's charitable efforts, and we encourage everyone to participate in making this year's run the most successful yet.

Get ready for the highly anticipated 39th Annual DuKane ABATE Toy and Food Run on October 12, an event not to be missed! This year's run kicks off bright and early at 9:30 AM from Knuckleheads Tavern in Elburn, where riders will gather before heading to the Sycamore Speedway for a day of fun and philanthropy. Attendees will be treated to fantastic live music throughout the day, featuring performances by The Repeat Offenders and Anthem, setting the perfect soundtrack for the event. To fuel up for the day's activities, a delicious breakfast will be provided by Rise N' Dine. Beyond the entertainment, this run offers a unique opportunity to engage with local political candidates who will be on-site, eager to discuss issues important to motorcyclists. And for those with a need for speed and a bit of showmanship, don't miss the thrilling Burnout Competition, sponsored by Law Tigers, MaXXaMus Motorcycle Repair, and Superheroes Towing! Come out and join us for a day of community, charity, and roaring engines, all while contributing to a great cause of collecting toys and food for children in need.

Mark your calendars for October 5th, because the Elburn Lions All Wheels Show is rolling into town, and it's an event you won't want to miss! DuKane ABATE is proud to announce its significant involvement, not only by being on-site to connect with fellow enthusiasts but also by actively sponsoring this fantastic gathering. This show is a wonderful opportunity to see a wide array of incredible vehicles, from classic cars to custom motorcycles. Our presence there is a testament to our commitment to the motorcycling community and our dedication to local events that bring people together. Come out and join us for a day filled with stunning rides, camaraderie, and the chance to learn more about DuKane ABATE's ongoing efforts.

Breaking news in the motorcycle world: The Windy City Motorcycle Company has officially been sold to the Legendary Group, marking a significant shift for several beloved dealerships. As part of this transition, Wild Fire Harley-Davidson will now operate under the new name of Chicago Harley-Davidson, and Lake Shore Harley-Davidson will be rebranded as Windy City Harley-Davidson. Meanwhile, Illinois Harley-Davidson, Woodstock Harley-Davidson, and Starved Rock Harley-Davidson will all retain their current names. These newly acquired dealerships will join an impressive portfolio within the Legendary Group, which already includes Buckeye Harley-Davidson, CinCity Harley-Davidson, Lucky Peach Harley-Davidson, and High Stakes Harley-Davidson. This acquisition promises an exciting new chapter for these dealerships and the riding communities they serve.

As DuKane ABATE rolls into election season, it's more important than ever for every motorcyclist to become informed and engaged. This is the time to thoroughly research all candidates running for office and understand precisely where they stand on the issues that directly impact the freedoms and rights of motorcyclists. Our collective power lies in our vote, and by educating ourselves on each candidate's stance, we can ensure that our voices are heard and that we elect individuals who will champion our interests in legislative bodies. Let's work together to protect our passion and our way of life on the open road.

I want to remind motorists that we're still riding on the roads in DuPage and Kane Counties, so keep your eyes open for us!

Until next time,
Ride Safe - Ride Free

104th ILLINOIS GENERAL ASSEMBLY:

The Illinois General Assembly remains on summer break. Both chambers return for a two-week Veto Session on October 14-16 and October 28-30.

A shooter fired a shot into Senator Meg Loughran Cappel's home in the early morning hours of Tuesday. The Senator and her family are safe and were not injured in the incident. Police have taken a suspect into custody and confirmed the incident does not appear to be politically motivated. Another neighboring house was also hit by gunfire.

The House Gun Violence Prevention Committee will hold a hearing on September 22 at 11:00 am in the Bilandic Building in Chicago to discuss gun violence prevention and community violence intervention.

The House Ethics and Elections Committee will hold a virtual hearing on September 24 at 11:00 am to discuss voter engagement, the process of aligning local elections, and [HB 2718](#).

GOVERNOR'S HIGHLIGHTS:

Executive Order: Governor JB Pritzker issued [Executive Order 2025-04](#), launching a statewide initiative to ensure access to vaccines during the fall respiratory virus season. The order establishes the Statewide Vaccine Access Initiative, led by the Illinois Department of Public Health in collaboration with various state agencies. The goal is to ensure that residents of Illinois can receive the vaccines they need and can rely on science-based guidance. The order also directs IDPH Director Dr. Sameer Vohra to issue a Standing Order that allows eligible providers in pharmacies and other appropriate clinical settings to administer vaccines recommended by IDPH, following consultation with its expert Immunization Advisory Committee.

Governor Heading to London: Illinois Governor JB Pritzker will travel to London next week for the Global Progress Action Summit hosted by the Center for American Progress and other British progressive organizations.

New Pathway for International Physician Licensing: The Illinois Department of Financial and Professional Regulation introduced a new licensure process for internationally trained physicians. They can now apply for an International Medical Graduate Limited License, enabling them to practice under a supervising physician for two years, during which they work towards full licensure. After the two-year supervised practice, IMGs can obtain an International Medical Graduate Restricted License that allows for more independent practice in certain shortage areas. Following this, they may then apply for a full medical license in Illinois.

Illinois Gaming Board: The Illinois Gaming Board held its September monthly meeting.

Electric Vehicle Charging Station Grants Awarded: A total of \$18.4 million in grants was awarded for the construction of 25 electric vehicle charging stations along interstate corridors in Illinois. This funding is provided through the second round of the National Electric Vehicle Infrastructure (NEVI) program, which supports community investment and economic development. The initiative also advances the objective of registering one million electric vehicles in Illinois by 2030.

Vice President/Legislative Rep.; Randy Ramey

First West Nile Death Reported for 2025: The Cook County Department of Public Health confirmed the first death related to the West Nile virus in suburban Cook County and the state of Illinois this year.

Stewardship Grants Awarded: The Illinois Department of Natural Resources awarded nearly \$1 million in grants to support 15 stewardship programs run by land trusts on land protected by the Illinois Nature Preserves Commission (INPC). These grants are part of the Illinois Natural Areas Stewardship Grant program, which aims to enhance essential land and water stewardship activities in natural areas that are permanently protected within the INPC system. This grant program funds projects that enable land trusts to expand their staff and purchase necessary equipment for these activities.

Soil Health Assessment: The Illinois Department of Agriculture officially designated the STAR Tool as the required soil health assessment for all state-funded conservation practices, in accordance with the Illinois Soil and Water Conservation Districts Act. According to the Department, this decision marks a significant milestone in the commitment to sustainable agriculture and environmental stewardship in Illinois.

The STAR Tool is essential for supporting conservation programs in Illinois, including the Partners-for-Conservation Cost-Share program and the Illinois Healthy Soils Initiative. It assesses field-level management practices like tillage and cover cropping, assigning STAR Ratings from 1 to 5, with 5 indicating best practices for soil health and water quality. In Crop Year 2024, 498 producers received ratings for 1,197 fields totaling 65,698 acres, with an average rating of 3.45. Notably, 87% of the producers and 67% of the fields were part of the PFC program.

OTHER NEWS:

2026 Election Update: Candidates continue to announce their intentions for the 2026 election cycle. Highlights include:

17th Congressional District: Rockford native Montez Soliz is challenging Democratic Congressman Eric Sorensen in the March primary. He is running on a platform of economic justice, health care, rights, and building strong communities.

34th House District: Representative Nick Smith announced he will not run for reelection in 2026. He was first appointed in 2018.

55th House District: Joseph Johnson, a small business owner and first-time candidate, announced that he is running for State Representative on the Republican ticket. Johnson will face Representative Marty Moylan in the November election.

118th House District: Conservative business owner Joe DeBose is running to replace Representative Paul Jacobs, who is running for the Illinois Senate. DeBose previously served as the spokesperson for failed Republican gubernatorial candidate Darren Bailey. DeBose will face Scott Doody in the Republican primary.

42nd Senate District: Democrat Justin Breaux has filed campaign finance documents to run for the 42nd Senate District. A science writer and digital communications specialist at Argonne National Laboratory, Breaux has no previous political office experience. Breaux will face Senator Linda Holmes in the March Primary Election.

Former Governor Jim Edgar: Former two-term Republican Governor Jim Edgar died Sunday of complications from cancer treatment, according to his family. Edgar served as Governor from 1991 through 1999. Prior to that, he served as Secretary of State. Edgar was 79.

Vice President/Legislative Rep.; Randy Ramey

AG Raoul Files Lawsuit Against Ticketmaster: Attorney General Kwame Raoul, alongside the FTC and a bipartisan coalition of state attorneys general, filed a lawsuit against Live Nation Entertainment and its subsidiary, Ticketmaster, for allegedly unlawfully coordinating with ticket brokers to inflate ticket prices in resale markets. The lawsuit claims Ticketmaster deceives customers by displaying lower ticket prices online, only to charge higher amounts at checkout due to hidden fees. Raoul highlighted that despite Ticketmaster's assertion of limiting bulk purchases by brokers, the company benefits when brokers bypass these limits, leading to increased resale prices. The complaint, lodged in the U.S. District Court for the Central District of California, accuses Ticketmaster and Live Nation of enabling brokers to exploit ticket limits, ultimately harming consumers who face unexpected fees of up to 30%.%

OPmobility Opening in Rivian Supplier Park: OPmobility is set to open its first facility in Normal, Illinois, where it will assemble bumpers for Rivian's upcoming R2 model, scheduled for consumer availability in 2026. As the first company to establish operations in Rivian's new supplier park—announced in May 2025—OPmobility plans to make a significant capital investment. This investment will be supported by the Illinois Department of Commerce and Economic Opportunity's Reimagining Energy and Vehicles in Illinois (REV Illinois) program, which aims to help the company establish its operations in the state and create 81 new full-time jobs.

August finances are in balance with Old Glory Bank and SQUARE transactions. All transactions are accounted for.

Following up on our Sunbelt Rental account, last year's fee for the generator and pedestrian barriers was \$865. This year's quote for renting essentially the same equipment is \$741, saving us about \$125 by having an account with them. If we can get a certificate of insurance from Abate-IL, we might be able to save the \$89 rental protection plan. I'll let you know in the next newsletter. This is not a huge amount of money, but it's money well saved.

The Treasurer's position is still open. We do have one person who is interested and we're starting transition training now. If you're interested in the Treasurer's position, or any position on the board, and would like additional information, please let me know.

If you have questions, comments, or improvement recommendations, just e-mail me at DuKaneTreas-ure2014@gmail.com. I'll do my best to respond quickly and thoughtfully.

Hey, everyone,

Summer is coming to a close, and as if on cue, the weather has been getting cooler. However, there are still quite a few rides going on, including our Big Toy and Food Run in October! We're preparing for it by setting up toy and food boxes at various locations, including motorcycle shops, pubs, politicians' offices, and other establishments. So if you plan on eating out or buying something motorcycle-related, you may want to take some toys or food so that you can drop it off for families in need.

On the topic of motorcycles, last month, I shared that I took a motorcycle safety course and passed the test. As a follow up, I now officially have a motorcycle endorsement on my license. What's my next move? Well, it's questions like these that bring to mind the wise words of Plankton:

I don't know. I never thought I'd get this far.

But in all seriousness, I'll likely take some time to build up my riding skills on a few bikes, especially smaller ones. I'll likely start in low-risk areas like parking lots and neighborhood roads and work my way towards more advanced riding as I get better. While I don't have plans to buy a motorcycle straight away, I am open to testing out different ones, whether that be through renting or borrowing. So if you have a small bike that you don't mind sharing, feel free to give me a heads-up.

With that said, I hope to see you soon.

Nathan Klapatch

Education and Safety; Steve Waltz

Happy Fall. This is some of the best riding weather of the year. Make sure you find the time to head north to check out the leaves before they are gone. Don't forget the rain gear, an extra hoodie and some gloves it can go from warm to cold fast as the days get shorter. Keep your eyes open for leaves on the road which are slippery when wet and also can cover potholes

We had our first presentations at St. Charles North High School this month meeting with 182 students for the first time. The presentations were well received and have been asked back next semester. Also have Streamwood High scheduled for early October the first time we will be there in about 4 or 5 years.

Make sure you mark October 12th for the Toy and Food Run at Sycamore Speedway. While toys are needed one of the biggest needs are non-perishable food products. Try to bring both if you can.

Elburn Lions Club All Wheels Show

Sunday October 5th, 8:00 AM – 3:00 PM . The Elburn All Wheel Car and Motorcycle Show. Sounds like a good time, right? They say 300 to 400 cars and motorcycles typically register. Did you know that the Elburn Lions All Wheels Car Show has a motorcycle division? Last year's Best Stock Motorcycle Winner was Chris Newman of St. Charles, with his 1976 Harley-Davidson Sportster.

Bring that excellent old motorcycle and enter it in the show. Can you stop by and help out with our DuKane ABATE information booth? Work with us to promote the Toy Run and sell a few State Motorcycle Raffle Tickets. The Elburn Lions Annual Fall Classic All Wheel Car Show is a fundraising event that takes place the first Sunday in October. The event is held on our beautiful grounds each year and is a fun family

event. Almost 300 to 400 Cars and Motorcycles take part in the show.

GATE OPENS AT 8 AM | REGISTRATION CLOSES AT 12 PM Pre-registration Entry Fee: \$15 (\$20 at the gate). Spectator admission is FREE. FREE chili with vehicle entry while it lasts. Donuts & coffee available in the morning. Concessions by Elburn Leos. DJ Music by Dave Palmer of 3D Sound C. Cash Bar & 50/50 Raffle. Sports will be available for viewing in the clubhouse. Where did the summer go? Fall means it is now time for the 39th Annual DuKane ABATE Toy and Food Run! We need everyone to join us and get this done for the kids! Please, if you plan to help out and volunteer, let me know. We need your name and information on a list so everything will run smooth as a freshly tuned up motorcycle riding on new tires.

Click here and sign up:

<https://dukaneabateil.org/events/tfr/>

Or you can text or call me at 630-302-4445 anytime.

Grab your friends and show up early to Elburn with a full tank of gas. Registration starts at 9:30. Leave your UNWRAPPED toys and food strapped on your bikes. Yes, we need nonperishable food too! We fill the trailers at the Sycamore Speedway party. First thing to do is head to our registration booth with \$20, cash only, in your hand and get your wristband. Pick up one of the kickstand pucks we provide for you too, parking is all grass at the Speedway.

Santa will be waiting for you. Rise and Dine is serving breakfast on the Knuckleheads patio, Schmidt's and Knuckleheads will be open serving their menus for you as well. You can also grab a coffee from the Corner Grind. What more can you ask for? Well I'll tell you! Knight Club Nutrition is there for your healthier morning beverages. The Repeat Offenders will be rocking the stage. Be sure to get your pictures with Santa Claus and the DuKane ABATE Santa Girls. Find our Santa Girls to get your 50/50 raffle tickets too. What a way to start a day!

Events: Chris Newman

Pastor Randy Schoof will be blessing our ride and event at 12:10. There will be a few pre ride announcements at 12:15, and then start your engines! The parade kicks off at 12:30 sharp lead by the Kane County Sheriff's Department and Illinois State Police Motorcycle Patrol. Every intersection is blocked for our safety. Thank you Elburn Fire Department for flying your huge American Flag!

At Sycamore Speedway, you will be greeted by our friends from the Christian Motorcyclists Association (CMA) who will direct you to your parking spot. Place your unwrapped toys and food donations on the trailers then come on into to the show!

Upon arrival, all Veterans and current service members please head directly to the big beautiful ABATE Trailer by the main stage and find SSG Frank Lorang. He is our Flag Line Coordinator. Please allow us to honor your service while Dennis Lexa performs the National Anthem during the opening ceremonies. A&P Grain Systems will be flying their majestic American Flag for us at the Speedway.

Stop by Kori's Koop and check out the most excellent food she will be cooking up for us. The Speedway will be taking care of your hunger and thirst too. The grill will be filled with burgers and such ready for your arrival.

So many animals, so little time. Be sure to give belly rubs to all of our furry orphans as you walk in. Dozens of adoptable pets will be on site. What better place to pick out your new best friend? Riding a motorcycle and wondering how to get your new family member home? No problem! Rockin' Resq will take care of the transportation, just ask.

Riding the Mechanical Bull is free of charge. Play as much as you desire, but please donate if you can. Be sure to visit the many vendors for you informational and shopping pleasure. ANTHEM will be giving it all away on stage. Thank you Toga talent for coordinating our music!

Events: Chris Newman

We are not done yet, be sure to stick around for the legendary DuKane ABATE Toy and Food Run Burnout Contest, \$500 to win, \$250 2nd place, \$100 3rd place! The winner also receives honor, glory, fame, a trophy, and a new tire donated by The Law Tigers, including installation by Maxximus Motorcycle Repair and towing by Roadside Superhero's Motorcycle Towing! This is an event not to be missed. See you there.
