

## From the President: Chris Hansen

Hello DuKane ABATE!

As February comes to an end, we're finally starting to see signs of warmer weather across DuPage and Kane Counties — and that means motorcycles are making their way back onto the roads throughout our communities. With the start of the riding season comes an important reminder for everyone who shares the road. DuKane ABATE continues to make motorcycle awareness a top priority by being present at community events, working with local organizations, and engaging directly with motorists to encourage them to keep their eyes open for motorcyclists. DuKane ABATE Safety & Ed Officer Steve Waltz, DuKane ABATE Membership Officer Mark Garrison, and Mike Bullis are also spending time in classrooms, speaking with new and younger drivers about safe driving habits, situational awareness, and the importance of watching for motorcycles. Education and visibility are key to preventing crashes, and through these outreach efforts, we're working to help ensure that every rider and every motorcyclist gets home safely.

DuKane ABATE extends our deepest condolences, thoughts, and prayers to the family, friends, and all who knew and loved Pauli Ward. Pauli was truly the heartbeat of ABATE of Illinois — a tireless advocate, a passionate leader, and a dear friend to so many across our organization and the motorcycling community. Her unwavering love and dedication to ABATE of Illinois helped shape the strength, unity, and purpose we continue to carry forward today. While her absence leaves a space that can never be filled, her legacy, spirit, and commitment will continue to inspire us for years to come. She will be deeply missed and forever remembered.

With the 2026 Primary Election now here, it's more important than ever that DuKane ABATE members stay informed and engaged. Elections directly impact our rights as motorcyclists, from profiling protections to roadway access and legislative decisions that affect every rider in our state. Make sure you know where candidates stand on motorcyclists' rights issues and have a plan to **GET OUT AND VOTE!** Take the time to learn about your ABATE of Illinois PAC and FEDPAC endorsed candidates, including Candidate for U.S. Congress – District 8 Jennifer Davis, Candidate for U.S. Congress – District 11 Jeff Walter, Candidate for U.S. Congress – District 14 James Marter, State Representative Jennifer Sanalidro, Candidate for State Representative – District 47 Robert Vrankovich, and others who support our freedoms. Remember, **your vote is your voice** — and when riders vote together, we make a difference. Get informed, get involved, and most importantly, get out and use your vote! If you have questions on candidates, feel free to contact DuKane ABATE Vice President and Legislative Coordinator Randy Ramey at [rameyabate@gmail.com](mailto:rameyabate@gmail.com).

We hope to see everyone out for one of our favorite events of the year — the DuKane ABATE ABC - ABATE Bowling Classic on Sunday, March 15 at 2:00 PM at Bowlero in Glendale Heights! This fun-filled afternoon is only \$20 per person, and for those looking to add a little friendly competition, you can enter our 9-Pin No-Tap Tournament for an additional \$10, with a \$100 prize awarded to the tournament winner. Best of all, all proceeds benefit the DuKane ABATE Down Rider Fund, helping fellow riders when they need it most. We are incredibly grateful to our amazing sponsors for their continued support of the ABC event: The Toy Shop & Motolounge, Law Tigers Chicagoland, Sycamore Speedway, Winner's Circle Bar & Grill, Chicago Harley-Davidson, Spider's Cycle Werks, and Fox Valley Cycles. Be sure to purchase your 50/50 and State Motorcycle Raffle tickets from DuKane ABATE's very own Santa Girls and enjoy food and beverages available on-site. Bring your family, bring your friends, and join us for a great afternoon of fun — all for a great cause!

Until next month,

Ride Safe – Ride Free

# Vice President/Legislative Rep.; Randy Ramey

Hello All,

**Election season has started and will conclude on March 17th. It is time to participate and support those who support ABATE. Power comes with numbers so be sure to VOTE!**

Last week, a joint session of the Illinois General Assembly convened to hear Governor JB Pritzker present his eighth Budget and State of the State Address. Characterizing his fiscal proposal as a “maintenance budget”-- it accounts for only a 0.5% increase in discretionary spending over FY26-- Pritzker

emphasized that the uncertainty in the state’s fiscal picture made the FY27 approach a well-reasoned one. The Governor acknowledged the difficulties in crafting this particular budget and encouraged legislators to exercise restraint in the budget process. The state’s chief executive told legislators that the budget levels off and, in some cases, reduces programs important to him, signaling legislators should be willing to sacrifice projects important to them as well.

Now seeking his third term as Governor, Pritzker has an increasing national profile and is not bashful about his dislike for President Trump. Pritzker directly blamed the President for the loss of \$8.4 billion in funding to Illinois, exhorting Republican legislators to “demand the return of the money and resources this President has taken from the people of Illinois.” Saying everything is “too expensive”, the Governor cited a number of new proposals aimed at addressing affordability for families, like banning junk fees, making homeowners' insurance policies more affordable, addressing rising energy costs, building more affordable housing, and easing the path toward and cost of college degrees.

**Governor’s Proposed FY 27 Budget:** Pritzker proposed a \$131.8 billion FY 27 all-funds budget. General funds spending of \$56.032 billion is proposed, representing an increase of \$982 million over FY 26. The Governor’s budget proposal also projects a \$24 million budgetary surplus. The Governor is also requesting a spring supplemental appropriation of \$1.335 billion for FY 26, including \$2 million in GRF. Three areas account for 75% of the FY27 increase: mandatory spending for the K-12 Evidence-Based Funding Formula (\$305 million); base pension expenditures (\$192 million); and medical expenditures at CMS (\$269 million). Absent these categories, said GOMB, the spending would increase by less than 0.5%. The Governor laid out other funding priorities, citing early childhood education and childcare; K – 12 and higher education; health and human services; public safety and violence prevention; growing the economy and modernizing business development; and environmental, natural, and cultural resources.

## Revenue

**Gov. J.B. Pritzker outlined his latest [spending proposal](#), increasing state spending to more than \$56 billion for the first time in history, despite originally projecting a \$2.2 billion shortfall for the coming fiscal year. The proposed budget is \$879 million higher than what the fiscal year 2026 budget is expected to spend. In order to finance that new spending, the Governor is relying on an additional \$1 billion in updated revenue assumptions, \$589 million in new tax hikes, and \$139 million in fund sweeps.**

**Early Childhood Education:** FY27 would be the first full year of operational programmatic funding for the Department of Early Childhood, a newly created agency. Pritzker is requesting \$4.424 billion All Funds/\$2.088 billion GRF for the agency. Highlights include Early Childhood Block Grants (\$748 million), Early Childhood Workforce Compensation Grants (\$200 million), Child Care Assistance Program (\$55 million; to serve an additional 155,000 children), the Dolly Parton Imagination Library (\$2.3 million for continuation and expansion), and early Intervention services (\$15 million).

**K – 12 Education:** As proposed, the FY27 budget directs \$15.21 billion All Funds/\$10.721 billion GRF to the Illinois State Board of Education. Among the priorities: a \$305 million increase for the Evidence-Based Funding Formula; a \$51 million increase for school categorical grants, the full funding of the Special Education-Orphanage Tuition and Regular Orphanage budget lines, increases in Special Education Transportation reimbursements by \$20 million, Special Education Tuition by \$20 million, Regular/Vocational Transportation expenses by \$10 million, as well as \$35 million at IDOT to support mass transit costs related to student transportation. Other aspects of the budget are the maintenance of career and technical education programs to expand access to underserved students, and \$1.5 million to implement the Illinois Comprehensive Literacy and Numeracy Plans. FY27 will also fund the fourth-year Teacher Vacancy Grant Pilot Program (\$15 million) and the Computer Science Equity Grant Program (\$1.5 million).

# Vice President/Legislative Rep.; Randy Ramey

**Higher Education:** The Governor proposes continued investment in higher education through allocating \$721.6 million to maintain the MAP program and offering an additional \$16 million (1% increase) for the operating costs of public universities (\$13 million) and community colleges (\$3 million). Other features of Pritzker's FY27 plan include a continuation of funding to support community college investments in dual-credit and not-credit workforce grant programs, continued funding for the Diversifying Higher Education Faculty in Illinois (\$2 million); support for Common App simplified admissions (\$3 million), and continued Early Childhood Access Consortium for Equity scholarships (\$5 million) as well as Golden Apple Scholars (\$10.75 million) and Golden Apple Accelerators (\$2.5 million).

**Healthcare and Family Services:** The proposed budget appropriates \$47.449 billion All Funds/\$8.781 billion GRF to the Department of Healthcare and Family Services.

**Capital Budget:** The Governor's budget request included \$57.4B in FY27 Total Capital Appropriations. That figure includes not only \$1.4 billion in new bond-backed funding for CDB deferred maintenance at state facilities and institutions of higher education, but also \$100 million for deferred maintenance at DMA to generate additional federal matching funds.

The FY27 capital proposal also includes \$1.7 billion for the following new bond authorization requests:

- \$250 million for new missing middle and affordable housing programs at IHDA and DCEO.
- \$500 million for downstate road and bridge construction IDOT projects.
- \$50 million for a new Area Career Centers initiative at DCEO.
- \$466 million for DCEO Prime Sites, site readiness, public infrastructure, and other business development grant programs.
- \$50 million to expand the Surplus to Success program.
- \$110 million for continued ERP implementation and technology modernization initiatives. • \$100 million for the expansion of the water loan programs at IEPA.

## **Other General Budget Highlights:**

- \$37.5 million for the continued operation of capital programs such as the Open Space Lands Acquisition and Development Grant Program
- \$328 million for weatherization programs to assist low-income households with energy efficiency
- \$2 million to support two new cadet classes to hire 100 new state troopers
- \$5.6 million for early implementation costs of the Clean Slate Act
- \$10 million for the Homeland Security Preparedness and Response Grant Program
- \$2 million for the Illinois Nonprofit Security Grant Program
- \$3 million for the Innovation Vouchers Program
- \$6.5 million for the Small Business Innovation Research/Small Business Technology Transfer (STTR) Phase I Matching Grant Program
- \$50 million to the Area Career Centers capital grant program for facility modernization and program enhancements to create educational and career pathways
- \$20 million for Manufacturing Training Academies (MTA) capital grants to provide funds for workforce training partnerships with community colleges and private industry. Additional MTA investments will position Illinois to capitalize on growth in nuclear energy generation, as well as other advanced industries.

# Vice President/Legislative Rep.; Randy Ramey

- \$20 million for Illinois Works Pre-Apprenticeship Program to continue investing in the State's workforce development pipeline and train qualified, diverse candidates ready to enter the workforce in construction and building trades
- \$200 million for public infrastructure capital grants for roads and bridges, sewer and water mains, and public transportation
- \$35 million capital investment in Rebuild Illinois Downtowns and Main Streets to revitalize business corridors and support small businesses
- \$100 million investment in Site Readiness Illinois (SRI) to advance critical capital infrastructure improvements and ensure Illinois remains competitive for large-scale domestic and international projects
- \$65 million investment in Prime Sites funding to support companies relocating to or expanding operations in Illinois to assist with large-scale capital investment projects

**Food and Pharmacy Deserts:** A new tax incentive program keying in on independent grocery stores and pharmacies located in food or pharmacy deserts has been proposed by Governor Pritzker. Called EDGE Essentials, the initiative aims to provide maximum payroll withholding benefits to the targeted facilities. The proposed budget allocates \$2 million to the Illinois Grocery Initiative to help address food insecurity in areas of food deserts.

**Energy:** Governor Pritzker urged legislators to carefully assess the state's future energy needs. He proposed a two-year suspension on new data center tax credits to ensure that the expansion of data centers does not compromise energy affordability or stability for families across Illinois.

**Looking Ahead:** Appropriations committees will now begin to review the budget at the agency level. The Legislature is scheduled to adjourn on May 31<sup>st</sup>. The new budget year begins July 1.

## GOVERNOR'S HIGHLIGHTS:

**Illinois Reporting First Case of Measles:** The Illinois Department of Public Health is reporting this year's first confirmed case of measles in the state; an adult residing in the Metro East area. The individual recently returned from travel out of state.

## 104<sup>th</sup> ILLINOIS GENERAL ASSEMBLY:

The Legislative Audit Commission unanimously recommended Chris Meister as Illinois' next Auditor General. Meister has been the executive director of the Illinois Finance Authority since 2009, overseeing tax-exempt bonds and the state's Clean Water Initiative. Previously, he served as legislative director and associate general counsel at the Illinois Department of Commerce and Economic Opportunity and clerked for Illinois Supreme Court Justice Mary Ann McMorrow. The recommendation will be forwarded to the General Assembly, which must officially confirm Meister by adopting a joint resolution. If approved, he will succeed retiring Auditor General Frank Mautino.

Senator Neil Anderson resigned from Senate Republican leadership and was removed as minority spokesperson on the Senate Executive and Assignments committees after filing a package of legislation that could impose the death penalty on women who receive abortions and individuals involved in the in vitro fertilization process. In his resignation, Anderson wrote that leadership "requires a willingness to help direct policy in ways that, at times, require compromise for political advantage." He further wrote, "At this point, I am not willing to compromise or set aside what I believe to be true regarding the rights and protection of our unborn neighbors, even where some within our caucus may disagree or view the issue differently."

Hey, everyone,

Spring is coming up, and that means that the weather is going to warm up, and you'll soon have chances to ride your motorcycles without freezing to death! And we've got several ABATE events coming up in March.

Will County ABATE will be having its Winter Triathlon on Sunday, March 8th. Luckily, you don't have to be good at sports; instead you have to win games of pool, bags, and darts. As for us, we have a new event this year: the St. Patrick's Day parade in St. Charles! We'll be joining in the parade on March 14th, and we need riders and walkers to come and represent us there. And the next day, March 15th, we'll have ABATE Bowling Classic. Every year, we host this bowling event to raise money for the Downed Riders Fund. We have 10-pin lanes, as well as an optional 9-pin No-Tap Tournament with a \$100 prize. So we'll have several chances to come together and even mingle with ABATE friends across chapters!

There's also a note-worthy event happening across that state: the Illinois primary elections on March 17th. These elections serve as a chance to decide which Republicans and Democrats will compete in the general election. Fewer people participate in primaries than in general elections, which means that you have more power in primaries. So whether you want to support your current officials, get rid of your current officials, or pick a good replacement for outgoing officials, the primary is an important chance for you to do so. Depending on where you live, there may also be a local referendum in your area regarding local government plans and the related costs on your primary ballot, so make sure to look out for referendums in case you agree or disagree with the plans that they entail.

With this said, we are moving our March meeting to the 24th instead of the 17th, due to the election and the holiday. That way, it'll be easier to make your opinion count, make it to St. Patrick's Day festivities, and still be able to catch up on what's happening with us. I hope to see you soon.

Nathan Klapatch

## Education and Safety; Steve Waltz

Did you all enjoy those three or four days of Spring we just had? Well reality has returned and Winter is still here and it's the end of February. We are back into schools as busy as ever looking forward to topping our numbers from last year.

One topic that I know I haven't covered is hearing loss. Most folk blame the motorcycle engine for the hearing loss that can happen from long term motorcycle riding but the number one problem is wind noise. The sound of the wind, inside of a helmet, at 65 to 75 mph can reach 100 to 110 dB. Engines with aftermarket pipes can add another 90 to 120 dB. Prolonged exposure over 85 dB can cause permanent hearing damage.

Longterm effects include noise induced hearing loss, ringing in the ears and a reduced ability to hear higher frequencies. The best way to prevent damage is to wear high quality foam earplugs especially on long rides.

If you are riding, please keep your eyes open and ride safe.

PUTTING FAMILIES AND FREEDOM FIRST

### Who I Am:

As a lifelong tech entrepreneur, mom of 10, and supporter of the biker community, Jennifer Davis knows the thrill of the ride and the frustration of government red tape. That's why she's running for Congress – to take on federal overreach and deliver results that keep our roads open, safe, and free.

### In Washington, Jennifer will:

- **Fix Our Roads:** Secure federal funding to repair potholes, widen lanes, and create motorcycle-friendly routes — no more crumbling highways.
- **Cut Red Tape:** Eliminate costly EPA and DOT mandates that hurt riders, builders, and small shops. Jennifer knows excessive regulation kills jobs and innovation.
- **Defend Freedom:** Protect the Second Amendment and personal liberty — no to federal gear mandates or tracking tech.
- **Stand with Veterans:** Expand VA benefits, healthcare, and job training to honor the heroes in our riding community.

Jennifer Davis isn't a career politician. She's one of us – ready to rev up common-sense solutions in Congress.
