

From the President: Chris Hansen

Hello DuKane ABATE!

July was an incredibly busy month for DuKane ABATE! Our annual Bikini Bike Wash at Knuckleheads Tavern was a tremendous success, with participation nearly doubling compared to last year.

We were also happy to see Chicago ABATE President and Northeast Region Co-Coordinator Pat Jones at the event. Throughout the month, our members were active in the community, walking in parades alongside candidates and continuing to promote motorcyclists' rights and awareness. We also had a fantastic time participating in the Elburn American Legion Riders #630 Toys for Tots Run, which kicked off at Knuckleheads Tavern and concluded with a community celebration at the Elburn American Legion Post #630. Best of all, every one of these events gave us the opportunity to meet fellow riders, share what ABATE is all about, and welcome new members into DuKane ABATE.

DuKane ABATE remains committed to standing up for the privacy and rights of motorcyclists by opposing the expansion of Flock Safety camera systems throughout DuPage and Kane Counties. Kane County has recently announced that the topic of expanding Flock cameras across the county will be discussed at an upcoming meeting, making it more important than ever for riders to stay informed and engaged. While we support effective law enforcement and efforts to keep our communities safe, we also believe that the widespread collection, storage, and sharing of information about riders raises significant privacy concerns. The indiscriminate collection and sharing of riders' travel data is not acceptable. DuKane ABATE will continue to monitor this issue closely, attend public meetings, and advocate for policies that protect both public safety and the constitutional rights and privacy of motorcyclists. We encourage every member to stay involved and make their voice heard.

DuKane ABATE remains steadfast in our commitment to seeking justice for **Ryan Hresil**, whose life was tragically taken when **Morgan Mroz** drove while intoxicated. Since the beginning of this case, our members have attended numerous court hearings to stand in solidarity with Ryan's family and to show that the motorcycling community will not forget. We are grateful that Mroz has remained remanded throughout the judicial process, and we will continue to monitor the case every step of the way. Ryan should still be here riding alongside us, and we will continue to honor his memory by supporting his family and advocating for full accountability and justice. We encourage our members to continue attending court proceedings when possible and to keep Ryan's loved ones in their thoughts as this difficult process continues.

DuKane ABATE is dedicated to creating a safer, more connected community for motorcyclists in DuPage and Kane counties. We invite all riders to become more involved, support our efforts, and help us make a difference. Be sure to join us on August 18, 2026, for our next DuKane ABATE Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. Candidate for United States Congress - District 6, Niki Conforti, will be our guest speaker. These meetings are incredibly important to attend as you will hear reports from DuKane BOD Officers, and you will keep up to date on what is happening with motorcyclists' rights and freedoms in DuPage and Kane Counties in 2026 as we work to preserve the legacy of motorcycling through resources, education, and political representation. 123 Main Street in West Chicago is the address.

Until next month,

Hey, everyone,

Summer is going on, and we've still got a few events to get involved in before it's over. For starters, the Ride for John is on August 1st. This is an annual ride that honors victims of the fentanyl crisis and raises awareness of it. Then, on August 19th, Chicago Harley Davidson has its monthly bike night, with food, music, and lots of bikers from the area. We'll have a booth at these events, so feel free to stop by or help us out. A couple of days later, on August 21st, we'll be in the Elburn Days Parade. For that, we'll need quite a few bikes to represent our organization and get our name out there!

On August 12th, we'll have an event of our own: a Toy Run Volunteer Meeting. At the St. Charles Motorcycle Museum, we'll prepare for our annual Toy Run, discussing the details with our volunteers. We'll also be handing out toy boxes so that we can deliver them to local businesses and offices and allow them to collect toys and food for the families in our community. If you're interested in volunteering for our Toy Run in the fall, this is a great chance to reach out to us.

I hope to see you soon.

Nathan Klapatch

Education and Safety; Steve Waltz

Hope everyone is getting some great riding time in and enjoying the weather. Just be sure to dodge all those storms that keep coming out of nowhere. We are taking a break on the safety front with the first schools scheduled for early September. So far this year we have met with 2,740 driver education students. Several schools, such as District U-46, have reduced the number of driver education classes and have laid off or reassigned instructors. These are cost saving issues that will result in more drivers in the future who will not have had proper training. A short-term fix for a long-range problem.

So far this year we have had 63 motorcycle fatalities. Be careful and keep your eyes open.
